Key Words Used in This Handbook

As you read this handbook, you may see some new words. Here is what we mean when we use them.

Words/Phrases

Abuse: Provider or member practices that result in an unnecessary cost to the Medicaid program or in reimbursement for services that are not medically necessary.

Advance Directive: A set of directions you give about the medical and behavioral health care you want if you ever lose the ability to make decisions for yourself. This may include a living will, the appointment of a health care proxy or both.

Adverse Benefit Determination: A decision your plan can make to reduce, stop or restrict your health care services.

American Indian/Alaska Native (AI/AN): An individual who is a member of a federally recognized American Indian tribe; an individual who resides in an urban center and qualifies as a member of an American Indian tribe, Alaska Native, or is considered to be an American Indian under federal regulations; an individual considered by the federal government to be an American Indian for any purpose. AI/AN may be used to refer to this population.

Appeal: A request to your health plan to review a decision the plan made about reducing, stopping or restricting your health care services.

Behavioral Health Emergency: A situation in which there is a high risk of behaving in a way that could result in serious harm or death to yourself or others.

Behavioral Health Services: Mental health (emotional, psychological and social well-being) and substance use (alcohol and drugs) disorder diagnostic, treatment, and rehabilitation services.

Benefits: Medical and behavioral health care services covered by your health plan.

Care Manager: A specially trained health professional who works with you and your doctors to make sure you get the right care when and where you need it.

Words/Phrases

SoonerSelect Children's Specialty Program (CSP): Another name for the health plan that serves foster children, former foster children, children with an open prevention services case or receiving prevention services, juvenile justice involved children, and children receiving adoption assistance.

Copay: A fee you pay when you get certain health care services or a prescription.

Durable Medical Equipment: Certain items (such as a walker or a wheelchair) your doctor can order for you to use if you have an illness or an injury.

Emergency Medical Condition: A situation in which your life could be threatened or you could be hurt permanently if you don't get care right away (such as a heart attack or broken bones).

Emergency Medical Transportation: Ambulance transportation to the nearest hospital or medical facility for an emergency medical condition.

Emergency Room Care: Care you receive in a hospital if you are experiencing an emergency medical condition.

Emergency Services: Services you receive to evaluate, treat or stabilize your emergency medical condition.

Excluded Benefits: Services or benefits that are not covered by the health plan.

Expansion Adult: An individual who is aged 19–64, with income at or below 138% of the federal poverty level, and who is determined eligible for Medicaid.

Expedited (faster) Appeal: If your health plan made a decision about reducing, stopping or restricting your health care services and you think waiting 30 days for an appeal decision will harm your health, this is a request to review the decision within 72 hours.

Former Foster Children (FFC): Individuals under age 26 who were in foster care within Oklahoma or another state when they turned 18 or aged out of foster care. If the individual aged out of foster care in a state other than Oklahoma, they must have aged out on or after Jan. 1, 2023.

Words/Phrases

Foster Care Children (FC): Children currently in foster care.

Fraud: Intentional deception or misrepresentation made by a person resulting in some unauthorized benefit to themselves or another person.

Grievance: A complaint you can file if you have a problem with your health plan, provider, care or services.

Habilitation Services and Devices: Health care services that help you keep, learn or improve skills and functioning for daily living.

Health Insurance: A type of insurance coverage that pays for your health and medical costs. Your Medicaid coverage is a type of insurance.

Home Health Care: Certain services you receive outside a hospital or a nursing home to help with daily activities of life, such as home health aide services or skilled nursing.

Hospice Services: Special services for patients and their families during the final stages of illness. Hospice services include certain physical, psychological and social services that support terminally ill individuals and their families or caregivers.

Hospital Outpatient Care: Care you receive at a hospital or medical facility without being admitted or for a stay of less than 24 hours (even if this stay occurs overnight).

Hospitalization: Admission to a hospital for treatment that lasts more than 24 hours.

Juvenile Justice Involved (OJA): Persons currently in Office of Juvenile Affairs (OJA) custody or under its supervision by law or court order.

Indian Health Care Provider (IHCP): A health care program operated by Indian Health Services or by an American Indian tribe, tribal organization, or Urban Indian Organization. IHCP may be used to refer to this kind of provider. Any individual who is an American Indian or Alaska Native (AI/AN) may choose an IHCP as their primary care provider.

Words/Phrases

Medicaid: A health plan that helps some individuals pay for health care. For example, the SoonerSelect Children's Specialty Program is a Medicaid health program that pays for health coverage.

Medically Necessary: Medical services or treatments that you need to get and stay healthy. Services must follow standards and guidelines for the prevention, diagnosis or treatment of symptoms of illness, disease or disability.

Member: A person enrolled in and covered by a health plan.

Network (or Provider Network): A group of doctors, hospitals, pharmacies and other health care professionals who have a contract with your health plan to provide health care services for its members.

Non-Emergency Medical Transportation: Transportation your plan can arrange to help you get to and from your appointments, including personal vehicles, taxis, vans, mini-buses and public transportation.

Non-Expansion Adult: An adult who qualifies for Oklahoma's Medicaid program and meets eligibility requirements such as pregnant women and parents/caretakers of dependents under age 19 who meet income limits.

Non-Participating Provider/Out-of-Network Provider: A physician or other provider who has not contracted with or is not employed by the health plan to deliver services under the SoonerSelect Children's Specialty Program.

Notice of Adverse Resolution: Written information the plan sends you if your appeal is denied.

Notice of Resolution: Written information the plan sends you if your appeal is granted.

Oklahoma Health Care Authority (OHCA): The state agency for Medicaid in Oklahoma, and the agency that oversees the SoonerSelect Children's Specialty Program.

Out-of-Network Referral: If your health plan does not have the specialist you need in its provider network, they may find one for you to visit who is outside your health plan.

Words/Phrases

Participating Provider: A physician or other provider, including a pharmacy, who is contracted with or employed by the health plan to deliver services under the SoonerSelect Children's Specialty Program.

Physician Services: The services provided by an individual licensed under state law to practice medicine or osteopathy, but not services offered by doctors while you are admitted in the hospital.

Plan (or Health Plan): The company providing you with health insurance coverage. Your health plan is SoonerSelect Children's Specialty Program.

Premium: A monthly payment made for health insurance coverage. You do not have a premium in SoonerSelect Children's Specialty Program.

Prescription Drugs: A drug that, by law, requires a prescription by a doctor.

Prescription Drug Coverage: Health insurance or plan that helps pay for prescription drugs and medications.

(general) **Primary care provider:** A medical doctor who is trained to prevent, diagnose and treat a broad array of illnesses and injuries in the general population.

(specific to you) **Primary Care Provider (PCP):** The medical provider who takes care of and coordinates all your health needs, including referrals and prior authorizations. Your PCP is often the first person you should contact if you need care. Your PCP can be a physician, including an OB/GYN, a nurse practitioner, a physician assistant, or a certified nurse midwife. If you are an individual who is American Indian or Alaska Native (AI/AN), you may choose an Indian Health Care Provider as your PCP.

Prior Authorization (PA) (or Preauthorization): The approval needed from your plan before you can get certain health care services or medicines.

Provider: A health care professional or a facility that delivers health care services, such as a doctor, hospital or pharmacy.

Words/Phrases

Rehabilitation Services and Devices: Health care services and equipment that help you regain skills, abilities or knowledge that may have been lost or compromised because of an illness, accident, injury or surgery. These services can include physical or speech therapy or behavioral rehabilitation services.

Skilled Nursing Care: Care that requires the skill of a licensed nurse.

Specialist: A doctor who is trained and practices in a specific area of medicine.

Specialty Care: Advanced medically necessary care that focuses on specific health conditions or are provided by a specialist.

Standard Appeal: A request to your health plan to review a decision the plan made about reducing, stopping or restricting your health care services. Your plan will make a decision on your appeal within 30 days.

State Fair Hearing: If you are unhappy with the final decision your health plan made on your appeal, you may request a hearing to make your case before an administrative law judge.

Substance Use: A condition that includes the misuse or addiction to alcohol and/or legal or illegal drugs.

Urgent Care: Care for a health condition that needs prompt medical attention but is not an emergency medical condition. You can get urgent care in a walk-in clinic for a non-life-threatening illness or injury (such as the flu or sprained ankle).

Waste: The overuse or misuse of health care services that increases Medicaid costs.

Welcome to Oklahoma Complete Health's SoonerSelect Children's Specialty Program

This handbook will be your guide to the full range of Medicaid health care services available to you. If you have questions about the information in your welcome packet, this handbook, or your new health plan, call Member Services at **1-833-752-1665** (TTY: 711) or visit our website at **OklahomaCompleteHealth.com**. We can also help you make an appointment with your doctor and tell you more about the services you can get with your new health plan.

How SoonerSelect Children's Specialty Program Works

The Plan, Our Providers and You

Many people get their health benefits through programs like SoonerSelect Children's Specialty Program (CSP), which works like a central home for your health. SoonerSelect Children's Specialty Program helps coordinate and manage all your health care needs.

SoonerSelect Children's Specialty Program has a contract with the Oklahoma Health Care Authority (OHCA) to meet the health care needs of foster care children, former foster children, children with an open prevention services case or receiving prevention services, juvenile justice involved children, and children receiving adoption assistance with Oklahoma Medicaid. In turn, we partner with a group of health care providers to help us meet your needs. These providers (doctors, therapists, specialists, hospitals, home care providers and other health care facilities) make up our provider network. You will find a list of participating providers in our provider directory. You can visit our website at **OklahomaCompleteHealth.com** to find the provider directory online.

To search the provider directory, go to OklahomaCompleteHealth.com. Then use the “Find a Provider” tool. This tool will have the most up-to-date information about our provider network, such as:

- Provider names, addresses, and phone numbers.
- The provider's sex and spoken language(s).
- Whether the provider is taking new patients.
- Professional qualifications, such as where the provider went to school and what certifications they have.

For more information about a provider, or to get a free printed copy of the provider directory, call Member Services at **1-833-752-1665** (TTY: 711).

When you join the SoonerSelect Children's Specialty Program, our providers are here to support you. Most of the time, that person will be your primary care provider (PCP). The PCP is the medical provider who takes care of and coordinates all your health needs, including referrals and prior authorizations. If you need to have a test, see a specialist or go into the hospital, your PCP can help arrange it.

If you need to speak to your PCP after hours or weekends, call and leave a message with information on how you can be reached. Your PCP will get back to you as soon as possible. Even though your PCP is your main source for health care, in some cases, you can go to certain doctors for some services without checking with your PCP. See page 11 for details.

How to Use This Handbook

This handbook will tell you how the SoonerSelect Children's Specialty Program will work. This handbook is your guide to health and wellness services. It tells you the steps to take to make the plan work for you.

The first several pages will tell you what you need to know right away. The rest of the handbook can wait until you need it. Use it for reference or check it out a bit at a time.

When you have a question, check this handbook, ask your PCP or call Member Services at **1-833-752-1665** (TTY: **711**). You can also visit our website at **OklahomaCompleteHealth.com**.

Help from Member Services

There is someone to help you at Member Services. Just call Member Services at **1-833-752-1665** (TTY: **711**).

For help with non-emergency issues and questions, call Member Services at **1-833-752-1665** (TTY: **711**), Monday through Friday, from 8 a.m. to 5 p.m. After business hours, calls to Member Services may be answered by the Nurse Advice Line or you will have the option to leave a voicemail with Member Services.

In case of a medical emergency, call **911**.

You can call Member Services to get help when you have a question. You may call us to choose or change your PCP, to ask about benefits and services, to get help with referrals, to replace a lost ID card, to report the birth of a new baby, or to ask about any change that might affect you or your family's benefit.

If English is not your first language (or if you are reading this on behalf of someone who doesn't read English), we can help. We want you to know how to use your health care plan, no matter what language you speak. Just call us and we will find a way to talk with you in your own language. We have a group of people who can help. You can get these services for free. To ask for aids or services, call Member Services at **1-833-752-1665** (TTY: **711**).

Other Ways We Can Help

If you have basic questions or concerns about your health, you can call our free Nurse Line at **1-833-752-1665** (TTY: **711**) at any time, 24 hours a day, 7 days a week. You can get advice on when to go to your PCP or ask questions about symptoms or medications.

If you are experiencing emotional or mental distress, call the Oklahoma Mental Health Lifeline at **988** at any time, 24 hours a day, 7 days a week, to speak with someone who will listen and help. We are here to help you with problems like stress, depression or anxiety. We can connect you to the support you need to feel better.

If you are in danger or need immediate medical attention, call 911.

For people with disabilities: If you use a wheelchair or have trouble hearing or understanding, call us if you need extra help. If you are reading this on behalf of someone who is blind, deaf-blind, or has difficulty seeing, we can also help. We can tell you if a doctor's office is wheelchair accessible or is equipped with special communications devices. Also, we have services like:

- TTY machine. Our TTY phone number is: **711**.
- Information in large print.

- Help in making or getting to appointments.
- Names and addresses of providers who specialize in your condition.

Auxiliary Aids and Services

If you have a hearing, vision or speech impairment, you have the right to receive information about your health plan, care and services in a format that you can understand and access. SoonerSelect Children's Specialty Program provides free aids and services to help people communicate effectively with us, like:

- A TTY machine. Our TTY phone number is: **711**.
- Qualified American Sign Language interpreters.
- Closed captioning.
- Written information in other formats (like braille, large print, audio, accessible electronic format, and other formats).
- More formats, including verbal accounts of written materials and interpretation services.

These services are available to members for free. To ask for aids or services, call Member Services at **1-833-752-1665** (TTY: **711**).

SoonerSelect Children's Specialty Program complies with federal civil rights laws and does not leave out or treat people differently because of race, color, national origin, age, sex, sexual orientation, gender identity or disability. SoonerSelect Children's Specialty Program will not discriminate against anyone on the basis of frequent or high-cost care, health status, need for health care services, or due to an adverse change in enrollment, disenrollment, or re-enrollment with SoonerSelect Children's Specialty Program. If you believe that SoonerSelect Children's Specialty Program failed to provide these services, you can file a grievance or appeal. To file a grievance or appeal, or to learn more, call Member Services at **1-833-752-1665** (TTY: **711**). You may also file a complaint about your plan with the Oklahoma Insurance Department.

How You Become a Member of the SoonerSelect Children's Specialty Program

American Indian/Alaskan Natives (AI/AN) who are in tribal custody and children receiving prevention services will have the option to voluntarily enroll in the SoonerSelect Children's Specialty Program (CSP) through an opt-in process and may disenroll from the CSP for any reason. As an AI/AN member, if you choose not to enroll or decide to disenroll from CSP, you will be able to opt-in again during the next open enrollment period.

AI/AN members will have no co-pays and will be allowed to self-refer for services provided by out of network Indian Health Care Providers (IHCPs). You may also choose IHCPs who are participating providers with SoonerSelect Children's Specialty Program as your PCP. SoonerSelect Children's Specialty Program also offers AI/AN care managers.

Former foster care (FFC), adoption assistance (AA), and children receiving prevention services (PSC) will be enrolled in the SoonerSelect Children's Specialty Program (CSP) if they do not pick a different health plan. They may opt out of enrollment in the CSP and choose a different SoonerSelect plan. FFC, AA and PSC individuals enrolled in other health plans can enroll in the SoonerSelect Children's Specialty Program at any time.

Foster care (FC) and juvenile justice involved (OJA) children and youths will be automatically enrolled in the CSP upon entering custody of the state and will remain in the CSP until the reunification period.

If you are pregnant or become pregnant, your baby will be assigned to a SoonerSelect Medical Plan, or you may choose which plan. If you become pregnant, call SoonerSelect Children's Specialty Program to choose a doctor for both you and your baby before your baby is born.

Individuals who are not required to enroll in the CSP will have the option to choose a health plan when first enrolled and during open enrollment periods, about every twelve months. If you don't choose a health plan, SoonerCare will assign one to you, but you can disenroll from your assigned health plan and choose a different health plan any time within the first 90 days after your health plan benefits begin or during an open enrollment period.

Your Health Plan ID Card

Your SoonerSelect Children's Specialty Program ID card is mailed to you within 7 days after you enroll in your health plan. We use the mailing address on file at Oklahoma Health Care Authority. It will have your Medicaid identification number and information on how you can contact us if you have any questions. Your ID card will have SoonerSelect Children's Specialty Program's claims information for providers to use. If anything is wrong on your SoonerSelect Children's Specialty Program ID card, call us right away. If you lose your card, we can help; call Member Services at **1-833-752-1665** (TTY: 711). Carry your ID card always and show it each time you go for care.

View your member materials anytime on the member portal at **Member.OklahomaCompleteHealth.com**. Make an account to view claims, get a new ID card, update your information, and more!

PART I: FIRST THINGS YOU SHOULD KNOW

How to Choose Your PCP

Your primary care provider (PCP) is a doctor, nurse practitioner, physician assistant, or another type of provider who will care for your health, coordinate your needs, and help you get referrals for specialized services if you need them. There are lots of types of health care providers. Yours may be a general practitioner or family medicine, internal medicine, pediatrics, or Indian Health Care Provider. When you enroll in SoonerSelect Children's Specialty Program, you will have an opportunity to choose your own PCP. To choose your PCP, call Member Services at **1-833-752-1665** (TTY: **711**). If you do not select a PCP, we will choose one for you. If we choose a provider for you, we will try to choose a provider you have seen before. Any provider we choose for you will be close to your home. (See "How to Change Your PCP" to learn how you can change your PCP.)

When deciding on a PCP, you may want to find a PCP who:

- You have seen before;
- Understands your health needs;
- Is taking new patients;
- Can serve you in your language; and
- Is easy to get to.

Each family member enrolled in SoonerSelect Children's Specialty Program can have a different PCP, or you can choose one PCP to take care of the whole family. A pediatrician treats children from birth through 18. Family practice doctors treat the whole family. Internal medicine doctors treat adults ages 19 and older. Call Member Services at **1-833-752-1665** (TTY: **711**) to get help with choosing a PCP who is right for you and your family.

You can find the list of all the doctors, clinics, hospitals, labs and others who partner with SoonerSelect Children's Specialty Program in our provider directory. You can visit our website at **OklahomaCompleteHealth.com** to look at the provider directory online. To view the provider directory online, choose "Children's Specialty Program," then click "Member Resources" and click "Member Handbook and Forms."

You can also call Member Services at **1-833-752-1665** (TTY: **711**) to get a copy of the provider directory.

Women can choose an OB/GYN to serve as their PCP, but do not have to. Women do not need a PCP referral to see an OB/GYN doctor or another provider who offers women's health care services. Women can get routine check-ups, follow-up care if needed, and regular care during pregnancy.

If you have a complex health condition or a special health care need, you may be able to choose a specialist to act as your PCP. To choose a specialist as your PCP, call Member Services at **1-833-752-1665** (TTY: **711**).

If your provider leaves SoonerSelect Children's Specialty Program, we will tell you within 15 calendar days from when we know about this. If the provider who leaves SoonerSelect Children's Specialty Program is your PCP, we will contact you to help you choose another PCP. If you are currently getting treatment for a serious or *chronic* (long-lasting) medical condition, we will work with you and the provider who is leaving our plan. We will make sure you keep getting the care you need until you start with your new provider.

If you are an American Indian/Alaska Native individual, you may choose an Indian Health Care Provider as your PCP, but you don't have to.

The PCP may be chosen by:

- Child welfare specialist or specialist's supervisor for foster care children;

- Juvenile justice involved (OJA) target case manager (TCM) or TCM's supervisor for OJA children;
- OJA or foster care (FC) children's authorized representative; or
- Adoption assistance children's parent or guardian.

As a SoonerSelect Children's Specialty Program member, you can pick who you see for your healthcare needs from our network of providers. We have many for you to choose from. You can use the "Find a Provider" tool at **findaprovider.OklahomaCompleteHealth.com**. Type in either your address, city, county, or ZIP code, then click "Select your plan." Choose "SoonerSelect" from the dropdown menu and press "Continue." Click the tile that says, "Medical Professionals," then choose "Primary Care" or "Medical Specialist."

If you need help choosing a provider, you can also call Member Services at **1-833-752-1665 (TTY: 711)**.

How to Change Your PCP

When you enroll in SoonerSelect Children's Specialty Program, you can select a primary care provider (PCP) from our network after your benefits with SoonerSelect Children's Specialty Program begin. If you do not pick a PCP, we will choose one for you. Whether you choose a PCP for yourself, or SoonerSelect Children's Specialty Program chooses a PCP for you, you can change your PCP within the first month and that change will become effective the next business day. After that, you can change your PCP any time and the change will become effective the next business day. You do not have to give us a reason for the change. If you'd like to change your PCP, you can do so by calling Member Services at **1-833-752-1665 (TTY: 711)**, Monday through Friday, from 8 a.m. to 5 p.m.

- FC and OJA children can have their PCP changed any time with an effective date of the next business day.

How to Get Regular Health Care

Regular health care means exams, regular check-ups, shots or other treatments to keep you well, advice when you need it, and referrals to the hospital or specialists when you need them. It means you and your primary care provider (PCP) work together to keep you well or to see that you get the care you need.

Day or night, your PCP is only a phone call away. Be sure to call your PCP if you have a medical question or concern. If you call after hours or on weekends, leave a message and information on how you can be reached. Your PCP will call you back as quickly as possible. Remember, your PCP knows you and knows how your health plan works. There is also a 24-hour Nurse Advice Line that can help you any time. The phone number is **1-833-752-1665 (TTY: 711)**.

Your PCP will take care of most of your health care needs, but you must have an appointment to see your PCP. If you cannot keep an appointment, it is important to call to let your PCP know as soon as you know.

Making your first regular health care appointment. As soon as you choose or are assigned a PCP, call to make a first appointment. There are several things you can do to help your PCP get to know you and your health care needs. Your PCP will need to know as much about your medical history as possible. Make a list of your medical history, any problems you have now, and the questions you want to ask your PCP. Bring any medications and supplements that you are taking with you to the visit. In most cases, your first visit should be within 3 months of you joining SoonerSelect Children's Specialty Program.

If you need care before your first appointment, call your PCP's office to explain your concern. Your PCP will give you an earlier appointment. You should still keep the first appointment to talk about your medical history and ask questions.

If you need care before you choose or are assigned a PCP, call Member Services at **1-833-752-1665** (TTY: **711**) for help.

It is important to SoonerSelect Children's Specialty Program that you visit a doctor within a reasonable amount of time, depending on what the appointment is for. When you call for an appointment, use the appointment guide below to know how long you can expect to wait to be seen.

APPOINTMENT GUIDE	
IF YOU CALL FOR THIS TYPE OF SERVICE:	YOUR APPOINTMENT SHOULD TAKE PLACE:
PCP (services like routine health check-ups or immunizations)	Within 30 days from date of request for a routine appointment. Within 72 hours for non-urgent sick visits. Within 24 hours for urgent care.
OB/GYN	Within 30 days from date of request for a routine appointment.
OB/GYN	Maternity care: First trimester — within 14 calendar days. Second trimester — within 7 calendar days. Third trimester — within 3 business days.
Specialty	Within 60 days from date of request for a routine appointment. Within 24 hours for urgent care.
Mental Health	
Mental health	Within 30 days from date of request for a routine appointment. Within 7 days of residential care and hospitalization. Within 24 hours for urgent care. For mental health emergencies, please call the Oklahoma Mental Health Lifeline at 988 .
Substance Use Disorders	
Substance use	Within 30 days from date of request for a routine appointment. Within 7 days of residential care and hospitalization. Within 24 hours for urgent care.

If you are having trouble getting the care you need within the time limits described above, call Member Services at **1-833-752-1665** (TTY: **711**).

How to Get Specialty Care — Referrals

If you need specialized care that your primary care provider (PCP) cannot give, you can see a specialist who can. A specialist is a doctor who is trained and practices in a specific area of medicine (like a cardiologist or a surgeon). You do not need a referral to get an exam from an in-network specialist. We will pay for your care. However, you should talk to your PCP about your healthcare needs before you see a specialist. Your PCP can help you find the right kind of provider. There are also some treatments and services that your PCP must ask SoonerSelect Children's Specialty Program to approve before you can get them. Your PCP will be able to tell you what they are. Call Member Services at **1-833-752-1665** (TTY: **711**) if you have questions about whether you need a referral for a certain service.

Talk with your PCP or call Member Services at **1-833-752-1665** (TTY: **711**) to be sure you know how referrals work.

If you think a specialist does not meet your needs, talk with your PCP. Your PCP can help you if you need to see a different specialist.

If you have trouble getting a referral you think you need, contact Member Services at **1-833-752-1665** (TTY: **711**).

If SoonerSelect Children's Specialty Program does not have a specialist in our provider network who can give you the care you need, we will refer you to a specialist outside our plan. This is called an out-of-network referral. Your PCP or another network provider must ask SoonerSelect Children's Specialty Program for approval before you can get an out-of-network referral.

When an out-of-network provider asks SoonerSelect Children's Specialty Program for services, we will consider your unique healthcare needs. Decisions for most non-urgent prior authorization requests are made within 72 hours. This timeframe can be extended by up to 14 more calendar days. Decisions for urgent prior authorizations will be made within 24 hours. To learn more, please call Member Services at **1-833-752-1665** (TTY: **711**).

It is important you get a referral before seeing an out-of-network provider. If you do not, there may be a delay in services, and you may be responsible for paying for the services.

Sometimes, we may not approve an out-of-network referral because we have a provider in SoonerSelect Children's Specialty Program's network who can treat you. If you do not agree with our decision, you can appeal our decision. See page 49 to find out how.

Sometimes, we may not approve an out-of-network referral for a specific treatment because you asked for care that is not very different from what you can get from a SoonerSelect Children's Specialty Program provider. If you do not agree with our decision, you can appeal our decision. See page 49 to find out how.

If you have a complex health condition or a special health care need, you may be able to choose a specialist to act as your PCP. To choose a specialist as your PCP, call Member Services at **1-833-752-1665** (TTY: **711**).

Inpatient Hospital Services

SoonerSelect Children's Specialty Program covers *inpatient* hospital services. This means you would stay overnight in the hospital. If you need inpatient services and it is not an emergency, your PCP or specialist will arrange for you to go to a hospital in the SoonerSelect Children's Specialty Program network. Your provider will follow your care, even if you need to see other providers during your hospital stay. SoonerSelect Children's Specialty Program must approve all services. To find out if a hospital is in the SoonerSelect Children's Specialty Program network, or if you have any other questions on hospital services, please call Member Services **1-833-752-1665** (TTY: **711**) or go to our website at **OklahomaCompleteHealth.com**. To view online, choose "Children's Specialty Program," then click "Member Resources" and click "Member Handbook and Forms" to view our provider directory and other important materials.

If you have an emergency and are admitted to the hospital, you or a family member or friend should let your PCP know as soon as possible, but no later than 24 hours after you were admitted to the hospital.

Out-of-Network Providers

A participating provider is a physician or other provider who is contracted with or employed by SoonerSelect Children's Specialty Program to deliver services under the CSP. A non-participating provider is a physician or other provider who has not contracted with or is not employed by SoonerSelect Children's Specialty Program to deliver services under the CSP. If we do not have a specialist in our provider network who can give you the care you need, we will get you the care you need from a specialist outside our plan, or an out-of-network provider. For help and more information about getting services from an out-of-network provider, talk to your primary care provider (PCP) or call Member Services at **1-833-752-1665** (TTY: **711**).

You can receive family planning services (birth control) from a doctor that is not a SoonerSelect Children's Specialty Program doctor. You do not have to get a referral from your PCP, but you must visit an Oklahoma Medicaid provider. If you are AI/AN, you may receive services from any Indian Health Care Provider (IHCP), even if the IHCP is out of network.

Get These Services from SoonerSelect Children's Specialty Program Without a Referral

You do not need a referral to get these services:

- Primary care
- An exam or consult with a specialist.
- Behavioral health services
- Substance use disorder treatment
- Vision services
- Emergency services
- Well-child checkups/EPSDT

- Family planning services and supplies
- Prenatal care
- Department of health providers, including mobile clinics
- Services provided by IHCPs to AI/AN health plan members

Emergencies

If you believe you have an emergency, call **911** or go to the nearest emergency room. If you believe you have a mental health emergency, call **988**.

You do not need approval from your plan or your primary care provider (PCP) before getting emergency care, and you are not required to use our hospitals or doctors.

If you're not sure, call your PCP at any time, day or night. Your PCP is your main provider. If your condition is not life threatening or urgent, call your PCP first.

Tell the person you speak with what is happening. Your PCP's team will:

- Tell you what to do at home;
- Tell you to come to the PCP's office; or
- Tell you to go to the nearest urgent care clinic or emergency room.

If you are out of the area when you have an emergency:

- Go to the nearest emergency room.

Remember: Use the emergency room only if you have an emergency. If you have questions, call your PCP or SoonerSelect Children's Specialty Program Member Services at **1-833-752-1665** (TTY: **711**).

You are always covered for emergencies. An emergency medical condition is a situation in which your life could be threatened, or you could be hurt permanently if you don't get care right away. Some examples of an emergency are:

- A heart attack or severe chest pain
- Bleeding that won't stop
- A bad burn
- Broken bones
- Trouble breathing, convulsions or loss of consciousness
- When you feel you might hurt yourself or others
- If you are pregnant and have signs like pain, bleeding, fever or vomiting
- Drug overdose

Some examples of non-emergencies are colds, upset stomach or minor cuts and bruises. Non-emergencies may also be family issues or a break-up. These may feel like an emergency, but they are not a reason to go to the emergency room unless you are in immediate danger of harm.

Urgent Care

You may have an injury or an illness that is not an emergency but still needs prompt care and attention. This could be:

- A child with an earache who wakes up in the middle of the night and won't stop crying
- Flu symptoms
- If you need stitches
- A sprained ankle
- A bad splinter you cannot remove

You can walk into an urgent care clinic to get care the same day or make an appointment for the next day. Whether you are at home or away, call your primary care provider (PCP) any time, day or night. If you cannot reach your PCP, call Member Services at **1-833-752-1665** (TTY: **711**). Tell the person who answers what is happening. They will tell you what to do.

Care Outside Oklahoma

In some cases, SoonerSelect Children's Specialty Program may pay for health care services you get from a provider located just beyond the Oklahoma border or in another state. Your PCP and SoonerSelect Children's Specialty Program can give you more information about which providers and services are covered outside of Oklahoma by your health plan, and how you can get them if needed. If you need medically necessary emergency care while traveling anywhere within the United States and its territories, SoonerSelect Children's Specialty Program will pay for your care. If we cannot give you medically necessary services within the state, SoonerSelect Children's Specialty Program will make sure you get these services from out-of-state providers. SoonerSelect Children's Specialty Program will make such referrals as needed.

Your health plan will not pay for care received outside of the United States and its territories.

If you have any questions about getting care outside of Oklahoma or the United States, talk with your PCP or call Member Services at **1-833-752-1665** (TTY: **711**).

PART II:

YOUR BENEFITS

The rest of this handbook is for your information when you need it. It lists covered and non-covered services. If you are having problems with your health plan, the handbook tells you what to do. The handbook has other information you may find useful. Keep it handy for when you need it.

How You Know if You are an Expansion Adult or a Non-Expansion Adult

Non-expansion adults are individuals who qualify for Oklahoma's Medicaid program and meet eligibility requirements such as those who are eligible for Medicare, pregnant women, or needy caretakers of dependents under age 19 who meet the income requirements listed at <https://oklahoma.gov/ohca/individuals/mysoonercare/apply-for-soonercare-online/eligibility/income-guidelines.html>.

Expansion adults are individuals who meet income requirements, are ages 19 to 64, and determined eligible for Medicaid; but do not meet requirements for age, blind or disabled, breast and cervical cancer, or Medicare. Eligible income means someone earns at or below 138% of the federal poverty level. See the income guidelines at <https://oklahoma.gov/ohca/individuals/mysoonercare/apply-for-soonercare-online/eligibility/income-guidelines.html>.

Former Foster Care adults are non-expansion adults.

Benefits

SoonerSelect provides benefits or health care services covered by your plan.

SoonerSelect Children's Specialty Program will provide or arrange for most health services that you will need. Your health benefits can help you stay as healthy as possible if you:

- Are pregnant;
- Are sick or injured;
- Experience a substance use disorder or have other behavioral health care needs;
- Need help getting to the doctor's office; or
- Need medications.

The section below describes the specific services covered by SoonerSelect Children's Specialty Program. Ask your primary care provider (PCP) or call Member Services at **1-833-752-1665** (TTY: **711**) if you have any questions about your benefits.

You can get some services without going through your PCP. These include primary care, emergency care, women's health services, family planning services, children's screening services, services provided at local health departments, school-based services, and some behavioral health services. You can find more information about these services on page 11.

You will receive all SoonerSelect dental benefits from a separate dental plan that you choose. Your choices are DentaQuest and LIBERTY Dental. SoonerSelect Children's Specialty Program will provide transportation to your dental appointments. See page 28 for more information on how to schedule transportation.

Services Covered by SoonerSelect Children's Specialty Program's Network

In most situations, you must get the services below from the providers who are in SoonerSelect Children's Specialty Program's network. Services must be medically necessary and provided, coordinated or referred by your PCP. Talk with your PCP or call Member Services at **1-833-752-1665** (TTY: **711**) if you have any questions or need help with any health services.

Preferred Drug List

The SoonerSelect Children's Specialty Program *formulary*, or preferred drug list (PDL), is a guide to brand-name and generic drugs that are approved by the Food and Drug Administration (FDA) and covered through your prescription drug benefit. The PDL can be found on the Oklahoma Complete Health website at **OklahomaCompleteHealth.com**. Choose "Children's Specialty Program" then click the "Member Resources" tab, and select the "Member Handbook and Forms" page. There you can view the PDL and other important materials. You can also get a printed copy of the PDL for free by calling Member Services at **1-833-752-1665 (TTY: 711)**.

The PDL has all drugs you can get with and without prior authorization (PA), as well as any limits based on age, dosage, or the amount of medicine prescribed. The PDL applies to drugs you get at retail pharmacies.

The PDL is developed and continuously reviewed by the state of Oklahoma and the SoonerSelect Children's Specialty Program Pharmacy and Therapeutics (P&T) Committee. The committee is made up of the SoonerSelect Children's Specialty Program medical director, pharmacy director, and several primary care physicians, pharmacists, and specialists.

Not all dosage, forms, or strengths of a drug may be covered. The PDL is reviewed often and updated weekly. Annual updates and major changes are sent to providers and members by direct mail (e.g. fax, email, mail), as needed.

Dispensing Limits, Quantity Limits, and Age Limits

A 34-day supply is the max amount given for each new or refilled non-controlled substance. However, members can get a 90-day supply of many maintenance medications (or medications you take each day). A total of 80 percent of the days supplied must have passed before the prescription can be refilled. Dispensing outside the quantity limit or age limit needs prior authorization (PA).

SoonerSelect Children's Specialty Program may limit how much of a medication you can get at one time. If the physician / clinician feels that you have a medical reason for getting a larger amount, they can ask for PA. If SoonerSelect Children's Specialty Program does not grant prior authorization (PA), we will notify you and your physician / clinician. We will also tell you how to file an appeal if you do not agree with our decision.

Some medications on the SoonerSelect Children's Specialty Program preferred drug list (PDL) have age limits. These are set for certain drugs based on FDA-approved labeling, for safety concerns, and for quality standards of care. The age limit aligns with current FDA alerts for the appropriate use of pharmaceuticals.

Exception Requests and Medical Necessity Requests

If you need a medication that is not on the preferred drug list (PDL), your provider can make a medical necessity request for the medication. Such exceptions are rare, since the PDL has medications to treat many medical conditions.

Generic Substitution

Generic drugs are drugs that are not sold under a company's brand name. However, generic drugs have the same active ingredients as brand-name drugs. Active ingredients are the parts of the drug that directly affect you. The FDA requires generic drugs to be safe and to work the same as brand-name drugs.

Your provider should consider a generic drug before giving you a brand-name drug. That's because the generic version is usually less expensive, even though the drug works the same way.

In some cases, a brand-name drug may be preferred over a generic drug. If there is no generic drug, there may be more than one brand-name drug to treat a condition.

Step Therapy

Some drugs listed on the SoonerSelect Children's Specialty Program preferred drug list (PDL) may require that you try other medications first. This is called *step therapy*. If SoonerSelect Children's Specialty Program has a record that you tried other medication(s) first, then your step therapy drug will be approved. If SoonerSelect Children's Specialty Program does not have a record that you tried other medication(s) first, then you or your provider will need to tell us why you need the step therapy drug instead of trying other medications first. You or your provider can find the Step Therapy Exception Request Form on our website at oklahomacompletehealth.com/providers/pharmacy.html. The form is under the "Prior Authorization – Pharmacy Benefit/Retail Pharmacy" dropdown menu. If we do not approve the step therapy drug, we will tell you and your provider. We will also tell you how to file an appeal if you do not agree with our decision.

Talk with your pharmacist or call Member Services at 1-833-752-1665 (TTY: 711) if you have any questions or need help with your pharmacy services.

Behavioral Health Services (Mental Health and Substance Use Disorder Services)

Behavioral health care includes mental health (your emotional, psychological, and social well-being) and substance use (alcohol and drugs) disorder treatment and rehabilitation services. All members have access to services to help with mental health issues like depression or anxiety, or to help with alcohol or other substance use disorders. These services can include:

- Medication-assisted therapy (MAT)
- Tobacco cessation (to help you quit using tobacco)
- Behavioral health crisis services

If you believe you need access to more intensive behavioral health services that your plan does not provide, talk with your PCP or call Member Services **1-833-752-1665 (TTY: 711)**.

For an emergency	911 or go to the nearest emergency room	24 hours.

Emergency: If you need emergency transportation (an ambulance), call **911**.

Non-emergency: SoonerSelect Children's Specialty Program can arrange and pay for your transportation to help you get to and from your appointments for Medicaid-covered care. This service is free to you. If you need an attendant to go with you to your doctor's appointment, or if your child (18 years old or younger) is a member of the plan, the transportation is also covered for the attendant or parent or guardian. Non-emergency transportation includes personal vehicles, taxis, vans, ambulatory vehicles, and public transportation.

How to get non-emergency transportation: SoonerSelect Children's Specialty Program has a contract with ModivCare to give non-emergency ride services to covered members. This is called the Non-Emergency Medical Transportation Program. You are covered for non-emergency medical transportation. This means that we will offer you transportation services, including a ride or mileage reimbursement, to get to your Medicaid-covered appointments. We work with a group of transportation providers to help meet your transportation needs.

Call ModivCare's transportation services at **1-877-718-4212** to reserve a ride or ask for mileage reimbursement. Reservations need up to 72 hours before your appointment, excluding weekends and state holidays, before your appointment to arrange transportation to and from your appointment. After hours, you can get a ride by dialing the same toll-free number used during normal business hours.

Non-emergency medical transportation is covered for medically necessary, covered services. This can include provider visits, *dialysis* (a way to rid your body of waste when your body can't on its own), and counseling visits.

If you need to change or cancel your pickup time, please call **1-877-718-4212** as soon as possible. If the transportation does not show at the appointment time, please call transportation services at **1-877-718-4212** to find out the location of the driver or make alternative arrangements.

What do I need to get a ride?

Please have the following information ready when you call:

- Your name, home address, and phone number.
- Your Medicaid ID number.
- The street address and phone number where you want to be picked up.
- The name, phone number, address, and ZIP code of the provider you are seeing.
- The date and time of your visit.
- The end time of your visits, if known.
- Any special needs, like the need for someone to ride with you.
- General reason for the visit (for example, a PCP appointment, check-up, eye appointment, dentist appointment).

If you don't have these details with you when you call, we may not be able to set up your ride. We will give you a trip number once we have processed your transportation request.

What kind of rides can I get?

After we confirm that you need a ride, we will match you with the type of ride that best meets your needs. Types of rides may include:

- Mass transit and public transportation, like city buses or trains.
- Multi-load passenger van.
- Medical vehicles, like wheelchair or stretcher vans.
- Private vehicles.
- Taxis.
- Ride sharing services.

What about standing order (recurring) trip requests?

A *recurring trip* is when you need a ride to appointments on a daily, weekly, or bi-weekly basis for an extended period. You may schedule recurring trips for up to 30 days at a time in most cases. Members may schedule for more than 30 days in advance for the following conditions or services, including but not limited to:

- Dialysis.
- Chemotherapy.
- Radiation treatment.
- Wound care.

Members using transportation services must follow the conduct policies of the transportation providers. Any conduct that could harm the driver or other passengers may result in suspension of transportation services. Depending on the circumstances, not cancelling a trip or cancelling less than 24 hours in advance may result in a no-show. Repeated no-shows may result in suspension from transportation services.

Under certain circumstances, such as overnight stays, very early travel, or late returns, you may be able to get meal or lodging *reimbursement*. This means we will pay you back for any money you spend. To find out more or to ask for prior authorization for reimbursement, please call transportation services at

1-877-718-4212

Transportation services can give you information like:

- How to request, schedule, or cancel a trip.
- Any limits on non-emergency medical transportation services.
- The expected member conduct and procedures for no-shows.
- How to get mileage reimbursement if you use your own car.

When taking a ride to your appointment, you can expect to:

- Arrive at your appointment on time and no sooner than one hour before the appointment.
- Not have to wait more than one hour after the appointment for a ride home.
- Not have to leave the appointment early.

We want you to be satisfied with the care you get from our transportation providers. Let us know right away if at any time you are not satisfied with our transportation provider services. If you would like to file a complaint, please call **1-877-718-4212**.

If we deny you transportation services, you have the right to appeal our decision. See page 49 for more information on appeals. If you have questions about transportation, call Member Services at **1-833-752-1665** (TTY: **711**).

We also offer enhanced transportation services. See the value-added services chart beginning on page 32 for more information. Enhanced transportation (ride) services for members include:

- Fifteen (15) roundtrips per member per year to support social determinants of health needs. These may be:
 - Food resources like grocery stores, food pantries, or farmer's markets.
 - WIC.
 - Childcare.
 - Job interviews.
 - Education activities.
 - Support groups.
- Transportation to attend social outings and visits with biological family, for biological parents to attend medical visits in support of reunification as well as transportation for members to attend OJA appointments.
- One roundtrip per day for parent or guardian to visit a child in the hospital.
- Member's using non-emergency medical transportation may be allowed to bring up to four (4) children when childcare is not available.*

***Total number of passengers cannot be more than five people.**

To schedule enhanced transportation rides, please call Member Services at **1-833-752-1665** (TTY: **711**) or speak to your care manager. If you need a ride outside of operating hours, please call your transportation specialist.

Other Covered Services

In Lieu of Services

It is possible to give you other service options in *lieu* (instead) of services based on your unique needs. Your case manager will be happy to talk to you about these options.

Tell Us About Your Health

The My Health Screening will ask you questions about your current health. Your provider and health plan will use this information to learn about any health changes you've had or to better meet your health needs. That's why it's important to complete this form each year. With this information, we can meet your specific health needs with more services.

Completing the My Health Screening Form

There are several ways to complete the form:

- 1 Scan the QR code to fill out the form online.
- 2 Go to **Member.OklahomaCompleteHealth.com** to fill out the form on the member portal.

This form is confidential (private). Make sure to fill out one form for each SoonerSelect Children's Specialty Program member in your household. If you are in our care management program, a member of our care coordination team will call you to complete the screening over the phone.

Remember to do this screening each year. As part of our My Health Pays® program, you will earn a \$10 reward for filling out the form.

Scan with your phone to fill out this form on the member portal.

Notification of Pregnancy

Take Care of Yourself and Your Baby

Our Start Smart for Your Baby® program provides custom support and care for pregnant individuals and new parents. This program helps you focus on your health during your pregnancy and your baby's first year.

Start Smart for Your Baby® offers these benefits at no cost to you:

- Information about pregnancy and newborn care.
- Community help with housing, food, clothing, and cribs.
- Breastfeeding support and resources.
- Medical staff to work with you and your provider if you have any issues during your pregnancy.
- Text and email health tips for you and your newborn.

Getting Started

If you are pregnant, complete our Notification of Pregnancy Form online. You can also find the form included in the back of this book. Fill it out and mail it back to us using the prepaid envelope. We will follow up to talk with you about the details of our Start Smart for Your Baby® program.

Earn \$25 in My Health Pays® rewards for completing the Notification of Pregnancy Form within your first trimester (13 weeks) or \$10 for completing it in your second trimester (weeks 14 to 27)*.

*Restrictions may apply.

Start Earning My Health Pays® Rewards

It's easy to earn rewards! After you complete a healthy activity, we will add the reward amount directly to your My Health Pays Visa® prepaid card*.

If you don't have a card yet, we will mail you one after you complete your first healthy activity. You can keep earning My Health Pays® rewards by completing more healthy activities. We will add new rewards to your card once we are notified.

You can earn rewards for doing things like annual screenings, tests, and more.

Spend rewards at stores like Walmart or on necessities like rent, utilities, and childcare**.

**This My Health Pays® Visa® prepaid card is issued by The Bancorp Bank, N.A., pursuant to a license from Visa U.S.A. Inc. Card cannot be used everywhere Visa debit cards are accepted.*

***Rewards cannot be used to buy alcohol, tobacco, or firearm products.*

If you have any questions about any of the benefits above, talk to your PCP or call Member Services at **1-833-752-1665 (TTY: 711)**.

Extra Support to Manage Your Health

Managing your health care alone can be hard, especially if you are dealing with many health problems at the same time. If you need extra support to get and stay healthy, we can help. As a member of SoonerSelect Children's Specialty Program, you may have a care manager on your health care team. A care manager is a specially trained health professional who works with you and your doctors to make sure you get the right care when and where you need it.

Your care manager will contact you after you have been signed up for the SoonerSelect Children's Specialty Program, and then at least once every six months after that.

Your care manager can:

- Coordinate your appointments and help arrange for transportation to and from your doctor;
- Support you in reaching your goals to better manage your ongoing health conditions;
- Answer questions about what your medicines do and how to take them;
- Follow up with your doctors or specialists about your care;
- Connect you to helpful resources in your community; and
- Help you continue to receive the care you need if you switch health plans or doctors.

SoonerSelect Children's Specialty Program can also connect to you to a care manager who specializes in supporting you in:

- Getting a referral for case management services.
- Developing an individualized and person-centered care plan to address your physical, behavioral, and social needs.
- Arranging follow-up care for primary care and behavioral health needs.
- Addressing your social and community needs, providing referrals to services, and connecting you to community resources.
- Coordinating transitions of care, such as:
 - When benefits or coverage ends.
 - When you move from pediatric (youth) to adult care.
 - When you move from a different level of care or discharging home.

To learn more about how you can get extra support to manage your health, talk to your PCP or call Member Services at **1-833-752-1665** (TTY: **711**).

Help With Problems Beyond Medical Care

It can be hard to focus on your health if you have problems with your housing or worry about having enough food to feed your family. SoonerSelect Children's Specialty Program can connect you to resources in your community to help you manage issues beyond your medical care.

Call Member Services at **1-833-752-1665** (TTY: **711**) if you would like to discuss resources in areas such as employment, housing stability, food and/or transportation.

Members can use our custom FindHelp portal to explore community resources in their area at: ochpublic.findhelp.com.

Other Programs to Help You Stay Healthy

SoonerSelect Children's Specialty Program wants to help you and your family get and stay healthy. If you want to quit smoking or are a new mom who wants to learn more about how to best feed your baby, we can help connect you with the right program for support.

Call Member Services at 1-833-752-1665 (TTY: 711) to learn more about:

- Tobacco cessation services (support to help you stop smoking or dipping).
- SoonerStart, Oklahoma's early intervention program is designed to meet the needs of families with infants or toddlers (ages birth to 3 years old) with developmental delays and/or disabilities in accordance with the Individuals with Disabilities Education Act (IDEA). The program builds upon and provides supports and resources to assist family members to enhance infants or toddler's learning and development through everyday learning opportunities.
- SoonerSelect Children's Specialty Program offers many value-added services to help you stay healthy. Please see the *Value-Added Services* section for more details.

Early and Periodic Screening, Diagnostic and Treatment (EPSDT) Benefit

Plan members under age 21 can get any treatment or health service that is medically necessary to treat, prevent or improve a health problem. This special set of benefits are called Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services. Members who need EPSDT benefits:

- Can get EPSDT services through their health plan;
- Do not have to pay any copays for EPSDT services; and
- Can get help with scheduling appointments and arranging for free transportation to and from the appointments.

Some EPSDT services may require a prior authorization (PA). EPSDT includes services that can help treat, prevent or improve a member's health issue, including, but not limited to:

- Health and immunization history;
- Physical exams;
- Various health assessments and counseling;
- Lab and screening tests;
- Necessary follow-up care; and/or
- Applied behavioral analysis (ABA) services.

If you have questions about EPSDT services, talk with your child's primary care provider (PCP). You can also find more information on EPSDT services online by visiting our website at **OklahomaCompleteHealth.com** or by visiting the SoonerCare EPSDT web page at [**https://oklahoma.gov/ohca/providers/types/child-health-epsdt.html**](https://oklahoma.gov/ohca/providers/types/child-health-epsdt.html).

Services Not Covered

These are examples of some of the services that are not available from SoonerSelect Children's Specialty Program. If you get any of these services, you may have to pay the bill:

- Acupuncture.
- Chiropractic care for members under age 21
- Cosmetic surgery.
- Infertility treatment.
- Weight loss programs.
- Services from a provider who is not part of SoonerSelect Children's Specialty Program, unless it is a provider you are allowed to see as described elsewhere in this handbook or SoonerSelect Children's Specialty Program, or your primary care provider (PCP) sent you to that provider.
- Services for which you need a referral (approval) in advance, and you did not get it.
- Services for which you need prior authorization (PA) in advance, and you did not get it.
- Medical services provided out of the country.
- Tattoo removal. (Members may qualify for limited benefit. See Value Added Services on page 35)

This list does not include all the services that are not covered. To determine if a service is not covered, call Member Services at **1-833-752-1665** (TTY: **711**).

You may have to pay for any service that your PCP or SoonerSelect Children's Specialty Program does not approve. This includes:

- Services not covered (including those listed above).
- Unauthorized services.
- Services provided by providers who are not part of SoonerSelect Children's Specialty Program.

SoonerSelect Children's Specialty Program can choose not to cover counseling or referral services because of an objection on moral or religious grounds. Currently, SoonerSelect Children's Specialty Program does not object to any services based on moral or religious grounds. If you want to leave our plan because of this objection, you have good cause and the right to do so. See page 56 for more information.

If You Get a Bill

In most cases, you do not have to pay for CSP services and should not get a bill from a provider. You may have to pay if you agreed in writing to pay for services not paid for by SoonerSelect Children's Specialty Program. If you get a bill for a treatment or service you do not think you should pay for, do not ignore it. Call

Member Services at **1-833-752-1665** (TTY: **711**) right away. We can help you understand why you may have gotten a bill. If you are not responsible for payment, SoonerSelect Children's Specialty Program will contact the provider and help fix the problem for you.

You have the right to file an appeal if you think you are being asked to pay for something SoonerSelect Children's Specialty Program should cover. See the grievance and appeals section on page 49 in this handbook for more information. If you have any questions, call Member Services at **1-833-752-1665** (TTY: **711**).

New Technology

SoonerSelect Children's Specialty Program wants to make sure you have access to the most up-to-date medical care. We have a team that watches for advances in medicine. This may include new medicine, tests, surgeries, or other care options. The team checks to make sure the new treatments are safe. We will tell you and your provider about new services covered under your benefits.

PART III: PLAN PROCEDURES

Pharmacy Lock-in Program

To protect the health of our members, SoonerSelect Children's Specialty Program has a pharmacy lock-in program. This is for members who abuse or misuse prescription drugs. Members are assigned to one pharmacy and one doctor. You may change your doctor or pharmacy one time a year unless you have a special situation like moving. If you are placed in the program, you may be enrolled for a minimum of two years. We will review your enrollment at least every year. You can appeal being placed in the lock-in program. See the grievance and appeals section on page 49 in this handbook for more information.

We will not place foster care (FC) or juvenile justice involved (OJA) children in the pharmacy lock-in program without OHCA agreeing.

Prior Authorization and Actions

SoonerSelect Children's Specialty Program will need to approve some treatments and services before you receive them. SoonerSelect Children's Specialty Program may also need to approve some treatments or services for you to continue receiving them. This is called prior authorization. For a list of services that require a prior authorization, please see the chart in the "Services Covered by SoonerSelect Children's Specialty Program's Network" section of this handbook, page 16.

Typically, your primary care provider (PCP) will submit the prior authorization to SoonerSelect Children's Specialty Program for you through the provider portal. Asking for approval of a treatment or service is called a prior authorization request. To get approval for these treatments or services you need to:

You or your doctor may call Member Services at **1-833-752-1665** (TTY: **711**) to ask about prior authorization. However, all official prior authorization submissions must be done via our provider portal.

Open Access Prior Authorization

If a foster child or child in OJA custody changes placements and needs a new provider, we can give an open access prior authorization (PA). This means that the PA is not limited to a specific provider but may be limited to a specific provider type. The child can then see any provider that is the type of provider we authorized.

Prior Authorization Requests for Children Under Age 21

Special rules apply to decisions to approve medical services for children under age 21 receiving Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) services. To learn more about EPSDT services, see page 41 or visit our website at **OklahomaCompleteHealth.com**.

What Happens After We Get Your Prior Authorization Request?

The health plan has a review team to be sure you get the services we promise and that you need. Qualified health care professionals (such as doctors and nurses) are on the review team. Their job is to be sure that the treatment or service you asked for is covered by your plan and that it will help with your medical condition. They do this by checking your treatment plan against medically acceptable standards.

After we get your request, we will review it under either a standard or an expedited (faster) process. You or your doctor can ask for an expedited review if a delay will cause serious harm to your health. If your request for an expedited review is denied, we will tell you and your case will be handled under the standard review process. In all cases, we will review your request as fast as your medical condition requires us to do so but no later than described timeframes noted within the next section of this handbook.

We will tell you and your provider in writing if your request is approved or denied. We will also tell you the reason for the decision. We will explain what options you will have for an appeal when you don't agree with our decision.

Any decision to deny a prior authorization (PA) request or to approve it for an amount that is less than requested is called an adverse benefit determination. These decisions will be made by a health care professional. You can request the specific medical standards, called clinical review criteria, used to make the decision for adverse benefit determinations related to medical necessity.

Prior Authorization and Timeframes

We will review your request for a prior authorization (PA) within the following timeframes:

- **Standard review:** We will make a decision about your request within 72 hours after we receive it. Authorization decisions may be extended by up to 14 more calendar days if we need more information.
- **Expedited (faster) review:** We will decide about your request, and your provider will hear from us within 24 hours.
- **Inpatient Behavioral Health:** We will make a decision about your request within 24 hours.

If additional information is needed to make the decision, the review could take up to a total of 14 days. If this happens, SoonerSelect Children's Specialty Program will send you a written notice along with information on how to file an appeal on the extension.

In most cases, if you are receiving a service and a new request is made to keep receiving a service, we must tell you at least 10 days before we change the service if we decide to reduce, stop or restrict the service.

If we approve a service and you have started to receive that service, we will not reduce, stop or restrict the service during the approval period unless we determine the approval was based on information that was known to be false or wrong.

If we deny payment for a service, we will send a notice to you and your provider the day the payment is denied. These notices are not bills.

How You Can Help with Plan Policies

We value your ideas. You can help us develop policies that best serve our members. Maybe you would like to work with one of the member committees in our health plan or with OHCA, like:

- SoonerSelect Children's Specialty Program Children's Specialty Advisory Board; and /or
- SoonerSelect Children's Specialty Program Behavioral Health Advisory Board (BHB).

Call Member Services at **1-833-752-1665** (TTY: **711**) to learn more about how you can help.

Appeals

If you are not satisfied with our decision about your care or received an adverse benefit determination, you have the right to file an appeal.

To file an appeal, write to:

SoonerSelect Children's Specialty Program
ATTN: Appeals
P.O. Box 10353
Van Nuys, CA 91410-0353
Fax: 1-833-522-2803

If your appeal is for a behavioral health service, write to:

SoonerSelect Children's Specialty Program
ATTN: Appeals Department
P.O. Box 10378
Van Nuys, CA 91410-0378
Fax: 1-866-714-7991
Email Address: APPEALS@cenpatico.com

For pharmacy appeals write to:

SoonerSelect Children's Specialty Program
ATTN: Pharmacy Appeals
P.O. Box 31398
Tampa FL 33631-3398
Fax: 1-888-865-6531
Verbal Appeals or Peer to Peers can be initiated by calling 1-833-331-1515.

To file an appeal by phone, call Member Services at **1-833-752-1665** (TTY: **711**). You may also submit an appeal online using our member portal at **Member.OklahomaCompleteHealth.com**.

If you are not satisfied with an action we took or what we decided about your prior authorization (PA) request see page 47 about prior authorizations and actions, you can file an appeal at any time. An appeal is a request for us to review the decision.

You can do this yourself or, with your written consent, your authorized representative or your provider can call Member Services at **1-833-752-1665** (TTY: **711**) or visit our website at **OklahomaCompleteHealth.com** if you need help filing an appeal.

The appeal can be made by phone or in writing. You don't have to use any specific or legal terms as long as you clearly state that you are dissatisfied with the decision we made. We can help you complete the appeal form. If needed, auxiliary aids and services will be provided to you upon request and free of charge.

If your appeal review needs to be reviewed more quickly than the standard timeframe because you have an immediate need for health services, you may request an expedited (faster) appeal.

- **Standard appeals:** If we have all the information we need, we will tell you our decision in writing within 30 days after your appeal is received.
- **Expedited (faster) appeals:** If we have all the information we need, we will call you and send you a written notice of our decision within 72 hours from when we receive your appeal. We'll let you know we received your expedited appeal within 24 hours.

You may file a grievance (see page 52 for more about grievances) if your request for an expedited (fast tracked) appeal is denied.

We will not treat you any differently or act badly toward you because you file an appeal.

Before and during the appeal, you or your representative can see your case file, including medical records and any other documents and records being used to decide your case.

You can ask questions and give any information (including new medical documents from your providers) that you think will help us to approve your request. You may do that in person, in writing or by phone.

If you need assistance with the appeals process, have questions, or want to check the status of your appeal, you can call Member Services at **1-833-752-1665** (TTY: **711**).

More Information for Appeals

If we need more information to make either a standard or an expedited (faster) decision about your appeal, we may extend the time to resolve your appeal. If so, we will:

- Write you and tell you what information is needed. For expedited appeals, we will call you right away and send a written notice later.
- Explain why the delay is in your best interest.
- Make a decision no later than 14 days from the original decision date.

If you need more time to gather your documents and information, just ask. You, your provider, or someone you trust may ask us to delay your case until you are ready. We want to make the decision that supports your health best. You can request more time by calling Member Services at **1-833-752-1665** (TTY: **711**) or writing to the applicable appeals address listed on the prior page.

Our Decision on Your Appeal

If we agree with you that we should not have reduced or stopped services you were already receiving, we will send you a notice of resolution of the appeal telling you that we granted your appeal. If we still disagree with you and believe we were right to have reduced or stopped services you were already receiving, we will send you a notice of adverse resolution of the appeal telling you that we denied your appeal. If you disagree with the adverse resolution of the appeal, you have the right to request a State Fair Hearing. See the next section on page 51 for important details about timing and filing your request.

Your Care While You Wait for a Decision on Your Appeal

When the health plan's decision reduces or stops a service you were already receiving, you can ask to continue the services your provider had already ordered while we are making a decision on your appeal. You can also ask an authorized representative to make that request for you. Providers are not allowed to ask for your services to continue for you.

While you are waiting for us to make a decision on your appeal, if you want to continue services you were already receiving, be sure to ask us to continue those services at the time you file your appeal.

If we continue the services that you were already receiving, we will pay for those services if your appeal is decided in your favor. **Your appeal might not change the decision the health plan made about your services.**

When your appeal doesn't change the health plan's decision, you may have to pay for the services you got while waiting for a decision. If you are unhappy with the result of your appeal, you can ask for a State Fair Hearing (see next section in this handbook).

State Fair Hearings

After you receive a notice of adverse resolution to your appeal and you still don't agree with the decision that we made that reduced, stopped, or restricted your services, you can ask for a State Fair Hearing. A State Fair Hearing is your opportunity to give more information and ask questions about the decision in front of an administrative law judge. The judge in your State Fair Hearing is not a part of your health plan in any way.

If you want to continue benefits while you wait for the administrative law judge's decision about your State Fair Hearing, you should say so at the time you request a State Fair Hearing.

If you need help with understanding the State Fair Hearing process, you can call Member Services at **1-833-752-1665** (TTY: **711**). You don't have to use any special legal or formal language to request a State Fair Hearing as long as you clearly state that you are dissatisfied with the decision we made.

Your Care While You Wait for a Decision on your State Fair Hearing

If you requested and received continued services during your appeal, we must continue providing those services until you do one of the following:

- You withdraw your appeal or your request for State Fair Hearing, or
- A State Fair Hearing officer issues a hearing decision that disagrees with you.

You can also ask a trusted representative to make that request for you.

If you ask your health plan to continue services you already receive during your State Fair Hearing case, the health plan will pay for those services if your case is decided in your favor. Your State Fair Hearing might not change the decision the health plan made about your services.

If your State Fair Hearing case doesn't change the decision, you may have to pay for the services you got while waiting for a decision.

Requesting a State Fair Hearing

You don't have to use any special legal or formal language to request a State Fair Hearing as long as you clearly state that you are dissatisfied with the decision we made.

You must first file an appeal with SoonerSelect Children's Specialty Program and receive our decision before requesting a State Fair Hearing. If we don't decide your appeal within 30 days of your appeal request, you can also ask for a State Fair Hearing.

You don't need an attorney for your State Fair Hearing, but you may use one.

You may represent yourself or allow someone else to represent you.

If you allow someone else to represent you, they will have to show proof in writing that you asked for their help.

Without this written proof, your appeal will be rejected.

You can ask for a State Fair Hearing at any time within 120 days from the day we send you notice of adverse resolution.

You can use one of the following ways to request a fair hearing:

By phone – **1-405-522-7217**

By email – **docketclerk@okhca.org**

By mail – **Oklahoma Health Care Authority**
ATTN: Appeals Unit
4345 N Lincoln Blvd
Oklahoma City, OK 73105

If You Have Problems with Your Health Plan

We hope our health plan serves you well. If you have a problem, talk with your primary care provider (PCP) and call Member Services at **1-833-752-1665** (TTY: 711) or write to

SoonerSelect Children's Specialty Program
Attn: Grievance Department
P.O. Box 10353
Van Nuys, CA 91410-0353

Most problems can be solved right away. If you have a problem with your health plan, care, provider, or services, you can file your complaint with SoonerSelect Children's Specialty Program. **This kind of complaint is called a grievance.** Problems that are not solved right away over the phone and any grievance that comes in the mail will be handled according to our grievance procedures described below.

You can ask someone you trust (your authorized representative) to file the grievance for you. If you need our help because of a hearing or vision impairment, if you need translation services, or if you need help filling out the forms, we can help you. We will not make things hard for you or take any action against you for filing a grievance.

If you need this material in another language or format, you can get translation services at no cost. This includes written, visual, and audible aids. Call SoonerSelect Children's Specialty Program at **1-833-752-1665** (TTY: **711**) to ask for these services.

You may also file a complaint with the Oklahoma Insurance Department by going to [**https://www.oid.ok.gov/consumers/file-an-online-complaint/**](https://www.oid.ok.gov/consumers/file-an-online-complaint/).

If You Are Unhappy with Your Plan: How to File a Grievance

If you are unhappy with your health plan, provider, care or your health services, you can file a grievance (a formal complaint) with SoonerSelect Children's Specialty Program. You can file a grievance by phone or in writing at any time.

- To file by phone, call Member Services at **1-833-752-1665** (TTY: **711**) Monday through Friday, from 8 a.m. to 5 p.m.
- To file in writing, you can write us with your grievance to
SoonerSelect Children's Specialty Program
Attn: Grievance Department
P.O. Box 10353
Van Nuys, CA 91410-0353
Or Fax your Grievance to **1-833-812-0027**

What Happens Next?

- We will let you know in writing that we got your grievance within 10 days of receiving it.
- We will decide the resolution of a grievance within 30 days after receiving your grievance.
- We will tell you how we resolved it in writing within 3 days after we resolve the grievance.

Your Care When You Change Health Plans or Doctors

- If you choose to leave SoonerSelect Children's Specialty Program, we will share your health information with your new plan. You can finish receiving any services that have already been authorized by your previous health insurance or SoonerCare, even if the provider you are seeing is an out-of-network provider. Prior authorizations will be honored until the services are used or until 90 days after your new plan benefits begin, whichever comes first. After that, we will help you find a provider in our network to get any additional services if you need them.
- If you are pregnant when you join SoonerSelect Children's Specialty Program, you can continue the care that you were receiving before you joined our plan. You can continue seeing your doctor even if he or she is an out-of-network provider.

- If you are receiving chemotherapy or radiation treatment, dialysis, major organ or tissue transplant services, bariatric surgery, Synagis treatment, medications for hepatitis C treatment or if you are terminally ill, when you change plans you can continue your current treatment plan.
- Children receiving private duty nursing services will continue to receive these services. These services will only change if we perform a new assessment and determine your child needs different services.
- We will continue to cover your out-of-state services and/or meals and lodging assistance if it is already being received from SoonerCare when you join our plan.
- If you are receiving services for hemophilia, those services will continue being provided by your current hemophilia providers for up to 90 days even if the provider is out-of-network. After 90 days, we can help you find a network provider.
- If you are on a current treatment plan and receiving behavioral health services, you may keep seeing your current behavioral health treatment provider(s) for up to 90 days, even if the provider is out-of-network. After 90 days, we can help you find a network provider.
- If you are waiting for durable medical equipment or supplies authorized and ordered prior to joining our plan, we will help you to receive these items on time.
- If your PCP leaves SoonerSelect Children's Specialty Program, we will tell you in writing within 15 calendar days from when we know about this.
- We will tell you how to choose a new PCP, or we will choose one for you if you do not make a choice. If you are getting care for a chronic or ongoing medical condition, the SoonerSelect Children's Specialty Program will ensure that there is no disruption in services. Depending on your specific situation, changing your PCP may cause some of your services to change. You can find out more about changing your PCP by calling Member Services at **1-833-752-1665** (TTY: **711**).
- If you are transitioning out of foster care or juvenile services, the SoonerSelect Children's Specialty Program can support you in many areas. This help may include finding a place to live, finishing your education, finding medical and/or behavioral health providers, managing money, and getting a job.
- We track the age status of children and youth. We help those approaching age limits that will affect their benefits or eligibility. We do this through our A2A (Adolescence to Adulthood) Program, which provides support and education for youth transitioning out of foster care. If you would like to talk to a foster care-related specialist, call **1-833-752-1665** (TTY: **711**) and ask to speak with a care manager.

If you have any questions, call Member Services at **1-833-752-1665** (TTY: **711**).

Member Rights and Responsibilities

Your Rights

As a member of SoonerSelect Children's Specialty Program, you have a right to:

- Receive information on the SoonerSelect program and Oklahoma Complete Health its services, its practitioners and providers, and member rights and responsibilities.
- Be treated with respect and with due consideration for your dignity and privacy.

- Receive information on available treatment options and alternatives, in a way you understand.
- Participate in decisions regarding your health care, including the right to refuse treatment regardless of cost or benefit coverage.
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation.
- Request and receive a copy of your medical records, and to request that they be amended or corrected.
- Obtain available and accessible health care services covered by SoonerSelect Children's Specialty Program.
- Recommend changes to the organization's member rights and responsibilities policy.
- Exercise your rights without SoonerSelect Children's Specialty Program or its participating providers treating you differently.

Your Responsibilities

As a member of SoonerSelect Children's Specialty Program, you agree to the following responsibilities:

- Check SoonerSelect Children's Specialty Program information, correct inaccuracies and allow government agencies, employers and providers to release records to OHCA or SoonerSelect Children's Specialty Program.
- Notify OHCA or SoonerSelect Children's Specialty Program within 10 days if there are changes in income, the number of people living in the home, address or mailbox changes, or health insurance changes.
- Transfer, assign, and authorize to OHCA all claims you may have against health insurance, liability insurance companies or other third parties. This includes payments for medical services made by OHCA for any dependents.
- Respond to requests for assistance from the OHS Office of Child Support Services.
- Allow SoonerCare to collect payments from anyone who is required to pay for medical care.
- Share necessary medical information with any insurance company, person or entity who is responsible for paying the bill.
- Inspect any medical records to see if claims for services can be paid.
- Obtain permission for Oklahoma Human Services or Oklahoma Health Care Authority to make payment or overpayment decisions.
- Keep your identification card and know your Social Security number to receive health care services or prescriptions.
- Confirm that any care received is covered.
- Understand how and when to request non-emergency medical transportation services.
- Cost sharing.
- Ensure all information provided to OHCA or SoonerSelect Children's Specialty Program is complete and true upon penalty of fraud or perjury.

- Understand your health problems and, with your provider's help, develop mutually agreed-upon care goals.
- Follow the plans and instructions for care that you have agreed to with your practitioner.

Disenrollment Options

If You Want to Leave the Plan

You can try us out for 90 days. You may leave SoonerSelect Children's Specialty Program and join another health plan at any time during the first 90 days after you begin to receive health plan benefits. You don't have to have a reason to switch plans.

You can also switch health plans once every 12 months. This change happens through open enrollment.

If you want to leave SoonerSelect Children's Specialty Program at any other time, you can do so **only with a good reason (good cause). Some examples of good cause include:**

- You need related services to be performed at the same time, not all services are available within SoonerSelect Children's Specialty Program's network, and getting the services separately would put your health at risk,
- You have a complex medical condition and another health plan can better meet your needs,
- You have filed and won a grievance about poor quality of care, lack of access to services we must provide, lack of access to providers experienced in dealing with your needs, or any other issue that would support disenrollment,
- You were enrolled by mistake, and
- You need services that SoonerSelect Children's Specialty Program does not provide for moral or religious reasons. For more information on services not covered for moral or religious reasons, please see the next section.

If you have a good cause reason to disenroll from SoonerSelect Children's Specialty Program, you must submit your request using the grievance process on page 52. We will review the request within 10 days from when you filed the grievance. If you are unhappy with the disenrollment decision, we will refer the request to the Oklahoma Health Care Authority for the final decision.

SoonerSelect Children's Specialty Program can choose not to cover certain services because of an objection on moral or religious grounds. Currently, SoonerSelect Children's Specialty Program does not object to any services based on moral or religious grounds. If you want to leave our plan because of this objection, you have the right to do so. It is considered a good cause.

You Could Become Ineligible for SoonerSelect

You may have to leave SoonerSelect Children's Specialty Program if you:

- Are no longer eligible for Medicaid. If you become ineligible for Medicaid, all your services may stop immediately.

- Begin receiving Medicare.
- Transition to an eligibility group that does not participate in SoonerSelect.
- Commit fraud or provide fraudulent information.
- Are ordered by a hearing officer or court.

We Can Ask You to Leave SoonerSelect Children's Specialty Program

You can also lose your SoonerSelect Children's Specialty Program membership if you:

- Abuse or harm to plan members, providers or staff.
- Were enrolled in error.
- Have a complex medical condition and another health plan can better meet your needs.
- Do not fill out forms honestly or do not give true information. This is considered fraud.

Advance Directives

There may come a time when you become unable to manage your own health care and a family member or other person close to you is making decisions on your behalf. By planning in advance, you can arrange now for your wishes to be carried out. An advance directive is a set of directions you give about the medical and mental health care you want if you ever lose the ability to make decisions for yourself. For example, some people do not want to be put on life-support machines if they go into a coma.

Making an advance directive is your choice. If you become unable to make your own decisions, and you have no advance directive, your doctor or behavioral health provider will consult with someone close to you about your care. Discussing your wishes for medical and behavioral health treatment with your family and friends now is strongly encouraged, as this will help to make sure that you get the level of treatment you want if you can no longer tell your doctor or other physical or behavioral health providers what you want. Your advance directives, no matter the type, should be given to your primary care provider (PCP) and your care manager at SoonerSelect Children's Specialty Program.

Oklahoma has three ways for you to make a formal advance directive. These include living wills, health care power of attorney, and advance instructions for mental health treatment.

You can cancel your advance directive any time, without regard to your medical or mental health, and if any of the following are true:

- The member is pregnant and the physician is aware, the pregnant patient is to be provided with life-sustaining treatment unless the patient has specifically authorized to withhold treatment during the course of pregnancy.
- A physician is unable or unwilling to give care as per the advance directive, SoonerSelect Children's Specialty Program will process the information. The physician will transfer care of the patient to another physician to comply with the patient's medical decisions. If refusal of treatment would, in reasonable medical judgment, likely result in the death of the patient, then the physician **must comply** with the medical treatment decision pending transfer of the patient to a physician or other healthcare provider who is willing to comply with the decision.

- An advance directive from another state is valid to the extent that it does not exceed authorizations allowed under Oklahoma law. It must have been executed by the individual the directive applies to, and it must specifically authorize withholding / withdrawal of artificial nutrition / hydration and be signed.

Living Will

In Oklahoma, a living will is a legal document that tells others whether or not you want to die a natural death if you:

- Become incurably sick with an irreversible condition that will result in your death within a short period of time,
- Are unconscious and your doctor determines that it is highly unlikely that you will regain consciousness, or
- Have advanced dementia or a similar condition which results in a substantial cognitive loss, and it is highly unlikely the condition will be reversed.

In a living will, you can direct your doctor not to use certain life-prolonging treatments such as a breathing machine (called a “respirator” or “ventilator”), or to stop giving you food and water through a feeding tube.

A living will goes into effect only when your doctor and one other doctor determine that you meet one of the conditions specified in the living will. Discussing your wishes with family, friends and your doctor now is strongly encouraged so that they can help make sure that you get the level of care you want at the end of your life.

Health Care Power of Attorney

A Health Care Power of Attorney is a legal document in which you can name one or more people as your health care agents to make medical and behavioral health decisions for you as you become unable to decide for yourself, for as long as you choose. You can always say what medical or behavioral health treatments you would want and would not want. You should choose an adult you trust to be your health care agent. Discuss your wishes with the people you want as your agents before you put them in writing. Your designated Power of Attorney will be able to have access to your medical information and medical records, for as long as that person is so designated, up to your death.

Again, it is always helpful to discuss your wishes with your family, friends and your doctor. A Health Care Power of Attorney will go into effect when a doctor states in writing that you are not able to make or to communicate your health care choices. If, due to moral or religious beliefs, you do not want a doctor to make this determination, the law provides a process for a non-physician to do it.

The health care power of attorney becomes effective when the attending physician determines that the member is no longer able to make their own healthcare decisions, unless the member elected to have the agent's authority take effect upon execution of the health care power of attorney.

Advance Instruction for Mental Health Treatment

An Advance Instruction for Mental Health Treatment is a legal document that tells doctors and mental health providers what mental health treatments you would want and what treatments you would not want if you later became unable to decide for yourself. It can also be used to nominate a person to serve as guardian if guardianship proceedings are started. Your advance instruction for behavioral health treatment

can be a separate document or combined with a Health Care Power of Attorney or a General Power of Attorney. An Advance Instruction for Behavioral Health may be followed by a doctor or behavioral health provider when your doctor or an eligible psychologist determines in writing that you are no longer able to make or communicate behavioral health decisions.

You can change your mind and these documents at any time. We can help you understand or get these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can't speak for yourself. Talk to your primary care provider (PCP) or call Member Services at **1-833-752-1665** (TTY: **711**) if you have any questions about advance directives.

Fraud, Waste and Abuse

If you suspect that someone is committing Medicaid fraud, report it. Some examples of Medicaid fraud include (not limited to):

- An individual does not report all income or other health insurance when applying for Medicaid.
- An individual who does not get Medicaid uses a Medicaid member's card with or without the member's permission.
- A doctor or a clinic bills for services that were not provided or were not medically necessary.

You can report suspected fraud and abuse in any of the following ways:

- SoonerSelect Children's Specialty Program Ethics and Compliance Fraud Hotline at **1-866-685-8664**.
- Call the Medicaid Fraud, Waste and Program Abuse Tip Line through the OK Department of Human Services, Office of Inspector General at **1-800-784-5887**.

PART IV: HEALTH & WELLNESS INFORMATION

The SoonerSelect Children's Specialty Program wants you and your family to lead healthy lives. This is why we have health education resources for you. These resources can give you information to help you make healthy choices for you and your family.

Krames Health Library

- Easy access to more than 4,000 education sheets on health and medications. Not sure what to do when you have a cold or the flu? Or how much sunscreen to apply? Or what to do if you're expecting a child? Search for these topics and more on the Krames Health Library.

Healthy Kids Club

- Offers a new book, welcome packet, quarterly newsletter, and online activities for children and parents or guardians.

myStrength® Complete

- We all have our struggles. Finding support to focus on your emotional health is important. myStrength® Complete has personalized e-learning programs to help members with depression, anxiety, or substance use (drugs or alcohol).
- Each personalized program has tools, weekly exercises, and daily inspirations in a safe and private environment.
- myStrength® Complete also has information on how to find resources to support your emotional health.

We are committed to keeping your race, ethnicity, and language (REL), and sexual orientation and gender identity (SOGI) information confidential. We use some of the following methods to protect your information:

- Maintaining paper documents in locked file cabinets.
- Requiring that all electronic information remain on physically secure media.
- Maintaining your electronic information in password-protected files.

We may use or disclose your REL and SOGI information to perform our operations. These activities may include:

- Designing intervention programs.
- Designing and directing outreach materials.
- Informing health care practitioners and providers about your language needs.
- Assessing health care disparities.

We will never use your REL and SOGI information for underwriting, rate setting or benefit determinations or disclose your REL or SOGI information to unauthorized individuals.

Covered Entity's Duties:

SoonerSelect Children's Specialty Program is a Covered Entity as defined and regulated under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). SoonerSelect Children's Specialty Program is required by law to maintain the privacy of your protected health information (PHI), provide you with this Notice of our legal duties and privacy practices related to your PHI, abide by the terms of the Notice that is currently in affect, and notify you in the event of a breach of your unsecured PHI.

This Notice describes how we may use and disclose your PHI. It also describes your rights to access, amend and manage your PHI and how to exercise those rights. All other uses and disclosures of your PHI not described in this Notice will be made only with your written authorization.

SoonerSelect Children's Specialty Program reserves the right to change this Notice. We reserve the right to make the revised or changed Notice effective for your PHI we already have as well as any of your PHI we receive in the future. SoonerSelect Children's Specialty Program will promptly revise and distribute this Notice whenever there is a material change to the following:

- The Uses or Disclosures
- Your rights
- Our legal duties
- Other privacy practices stated in the notice

We will make any revised Notices available on our website or through a separate mailing.

Internal Protections of Oral, Written and Electronic PHI:

SoonerSelect Children's Specialty Program protects your PHI. We are also committed in keeping your race, ethnicity, and language (REL), and sexual orientation and gender identity (SOGI) information confidential. We have privacy and security processes to help.

These are some of the ways we protect your PHI:

- We train our staff to follow our privacy and security processes.
- We require our business associates to follow privacy and security processes.
- We keep our offices secure.
- We talk about your PHI only for a business reason with people who need to know.
- We keep your PHI secure when we send it or store it electronically.
- We use technology to keep the wrong people from accessing your PHI.

Permissible Uses and Disclosures of Your PHI:

The following is a list of how we may use or disclose your PHI without your permission or authorization:

- **Treatment** - We may use or disclose your PHI to a physician or other health care provider providing treatment to you, to coordinate your treatment among providers, or to assist us in making prior authorization decisions related to your benefits.
- **Payment** - We may use and disclose your PHI to make benefit payments for the health care services provided to you. We may disclose your PHI to another health plan, to a health care provider, or other entity subject to the federal Privacy Rules for their payment purposes. Payment activities may include processing claims, determining eligibility or coverage for claims, and reviewing services for medical necessity.
- **Health Care Operations** - We may use and disclose your PHI to perform our healthcare operations. These activities may include providing customer service, responding to complaints and appeals, and providing care management and care coordination.

In our healthcare operations, we may disclose PHI to business associates. We will have written agreements to protect the privacy of your PHI with these associates. We may disclose your PHI to another entity that is subject to the federal Privacy Rules. The entity must also have a relationship with you for its healthcare operations. This includes the following:

- Quality assessment and improvement activities
- Reviewing the competence or qualifications of healthcare professionals
- Care management and care coordination
- Detecting or preventing healthcare fraud and abuse

Your race, ethnicity, language, sexual orientation, and gender identity are protected by the health plan's systems and laws. This means information you provide is private and secure. We can only share this information with healthcare providers. It will not be shared with others without your permission or authorization. We use this information to help improve the quality of your care and services. This information helps us to:

- Better understand your healthcare needs
- Know your language preference when seeing healthcare providers
- Providing healthcare information to meet your care needs
- Offer programs to help you be your healthiest

This information is not used for underwriting purposes or to make decisions about whether you are able to receive coverage or services.

- **Group Health Plan/Plan Sponsor Disclosures** - We may disclose your protected health information to a sponsor of the group health plan, such as an employer or other entity that is providing a health care program to you, if the sponsor has agreed to certain restrictions on how it will use or disclose the protected health information (such as agreeing not to use the protected health information for employment-related actions or decisions).

Other Permitted or Required Disclosures of Your PHI:

- **Fundraising Activities** - We may use or disclose your PHI for fundraising activities, such as raising money for a charitable foundation or similar entity to help finance their activities. If we do contact you for fundraising activities, we will give you the opportunity to opt-out, or stop, receiving such communications in the future.
- **Underwriting Purposes** - We may use or disclose your PHI for underwriting purposes, such as to make a determination about a coverage application or request. If we do use or disclose your PHI for underwriting purposes, we are prohibited from using or disclosing your PHI that is genetic information in the underwriting process.
- **Appointment Reminders/Treatment Alternatives** - We may use and disclose your PHI to remind you of an appointment for treatment and medical care with us or to provide you with information regarding treatment alternatives or other health-related benefits and services, such as information on how to stop smoking or lose weight.
- **As Required by Law** - If federal, state, and/or local law requires a use or disclosure of your PHI, we may use or disclose your PHI information to the extent that the use or disclosure complies with such law and is limited to the requirements of such law. If two or more laws or regulations governing the same use or disclosure conflict, we will comply with the more restrictive laws or regulations.
- **Public Health Activities** - We may disclose your PHI to a public health authority for the purpose of preventing or controlling disease, injury, or disability. We may disclose your PHI to the Food and Drug Administration (FDA) to ensure the quality, safety or effectiveness of products or services under the jurisdiction of the FDA.
- **Victims of Abuse and Neglect** - We may disclose your PHI to a local, state, or federal government authority, including social services or a protective services agency authorized by law to receive such reports if we have a reasonable belief of abuse, neglect or domestic violence.
- **Judicial and Administrative Proceedings** - We may disclose your PHI in response to an

administrative or court order. We may also be required to disclose your PHI to respond to a subpoena, discovery request, or other similar requests.

- **Law Enforcement** - We may disclose your relevant PHI to law enforcement when required to do so for the purposes of responding to a crime.
- **Coroners, Medical Examiners and Funeral Directors** - We may disclose your PHI to a coroner or medical examiner. This may be necessary, for example, to determine a cause of death. We may also disclose your PHI to funeral directors, as necessary, to carry out their duties.
- **Organ, Eye and Tissue Donation** - We may disclose your PHI to organ procurement organizations. We may also disclose your PHI to those who work in procurement, banking or transplantation of cadaveric organs, eyes, and tissues.
- **Threats to Health and Safety** - We may use or disclose your PHI if we believe, in good faith, that the use or disclosure is necessary to prevent or lessen a serious or imminent threat to the health or safety of a person or the public.
- **Specialized Government Functions** - If you are a member of U.S. Armed Forces, we may disclose your PHI as required by military command authorities. We may also disclose your PHI to authorized federal officials for national security concerns, intelligence activities, The Department of State for medical suitability determinations, the protection of the President, and other authorized persons as may be required by law.
- **Workers' Compensation** - We may disclose your PHI to comply with laws relating to workers' compensation or other similar programs, established by law, that provide benefits for work-related injuries or illness without regard to fault.
- **Emergency Situations** - We may disclose your PHI in an emergency situation, or if you are incapacitated or not present, to a family member, close personal friend, authorized disaster relief agency, or any other person previously identified by you. We will use professional judgment and experience to determine if the disclosure is in your best interest. If the disclosure is in your best interest, we will only disclose the PHI that is directly relevant to the person's involvement in your care.
- **Inmates** - If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release your PHI to the correctional institution or law enforcement official, where such information is necessary for the institution to provide you with health care; to protect your health or safety; or the health or safety of others; or for the safety and security of the correctional institution.
- **Research** - Under certain circumstances, we may disclose your PHI to researchers when their clinical research study has been approved and where certain safeguards are in place to ensure the privacy and protection of your PHI.

Uses and Disclosures of Your PHI That Require Your Written Authorization:

We are required to obtain your written authorization to use or disclose your PHI, with limited exceptions, for the following reasons:

- **Sale of PHI** – We will request your written authorization before we make any disclosure that is deemed a sale of your PHI, meaning that we are receiving compensation for disclosing the PHI in this manner.
- **Marketing** – We will request your written authorization to use or disclose your PHI for marketing purposes with limited exceptions, such as when we have face-to-face marketing communications with you or when we provide promotional gifts of nominal value.
- **Psychotherapy Notes** – We will request your written authorization to use or disclose any of your psychotherapy notes that we may have on file with limited exception, such as for certain treatment, payment or healthcare operation functions.

You have the right to revoke your authorization, in writing at any time except to the extent that we have already used or disclosed your PHI based on that initial authorization.

Individuals Rights:

The following are your rights concerning your PHI. If you would like to use any of the following rights, please contact us using the information at the end of this Notice.

- **Right to Request Restrictions** - You have the right to request restrictions on the use and disclosure of your PHI for treatment, payment, or healthcare operations, as well as disclosures to persons involved in your care or payment of your care, such as family members or close friends. Your request should state the restrictions you are requesting and state to whom the restrictions apply. We are not required to agree to this request. If we agree, we will comply with your restriction request unless the information is needed to provide you with emergency treatment. However, we will restrict the use or disclosure of PHI for payment or health care operations to a health plan when you have paid for the service or item out of pocket in full.
- **Right to Request Confidential Communications** - You have the right to request that we communicate with you about your PHI by alternative means or to alternative locations. This right only applies if the information could endanger you if it is not communicated by the alternative means or to the alternative location you want. You do not have to explain the reason for your request, but you must state that the information could endanger you if the communication means or location is not changed. We must accommodate your request if it is reasonable and specifies the alternative means or location where your PHI should be delivered.
- **Right to Access and Receive a Copy of your PHI** - You have the right, with limited exceptions, to look at or get copies of your PHI contained in a designated record set. You may request that we provide copies in a format other than photocopies. We will use the format you request unless we cannot practicably do so. You must make a request in writing to obtain access to your PHI. If we deny your request, we will provide you a written explanation and will tell you if the reasons for the denial can be reviewed. We will also tell you how to ask for such a review or if the denial cannot be reviewed.

- **Right to Amend your PHI** - You have the right to request that we amend, or change, your PHI if you believe it contains incorrect information. Your request must be in writing, and it must explain why the information should be amended. We may deny your request for certain reasons, for example if we did not create the information you want amended and the creator of the PHI is able to perform the amendment. If we deny your request, we will provide you a written explanation. You may respond with a statement that you disagree with our decision and we will attach your statement to the PHI you request that we amend. If we accept your request to amend the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information.
- **Right to Receive an Accounting of Disclosures** - You have the right to receive a list of instances within the last 6-year period in which we or our business associates disclosed your PHI. This does not apply to disclosure for purposes of treatment, payment, health care operations, or disclosures you authorized and certain other activities. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. We will provide you with more information on our fees at the time of your request.
- **Right to File a Complaint** - If you feel your privacy rights have been violated or that we have violated our own privacy practices, you can file a complaint with us in writing or by phone using the contact information at the end of this Notice.

You can also file a complaint with the Secretary of the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201 or calling **1-800-368-1019**, (TTY: **1-800-537-7697**) or visiting <https://www.hhs.gov/guidance/document/filing-complaint-0>.

WE WILL NOT TAKE ANY ACTION AGAINST YOU FOR FILING A COMPLAINT.

- **Right to Receive a Copy of this Notice** - You may request a copy of our Notice at any time by using the contact information listed at the end of the Notice. If you receive this Notice on our web site or by electronic mail (e-mail), you are also entitled to request a paper copy of the Notice.
