2. **Plan Member Copays**

Members 21 and older will have a $4 copay on prescriptions.

Service	Amount	Explanation
Prescription drugs $0 per prescription for CSP members.	$0 per prescription for CSP members under 21 years old. $4 per prescription for members 21 and older.	• Tobacco cessation products $0 copay. • Prenatal vitamins $0 copay.• Birth control $0 copay. • Naloxone $0 copay. • Medication assisted treatments for opioid use $0 copay.

3. **Prior Authorization**

Prior Authorization timeframes have been updated.

We will review your request for a prior authorization (PA) within the following timeframes:

- **For Standard Health Care Services:** We will make a decision about your request within seven (7) days of receiving the prior authorization request.
- **For Urgent Health Care Services:** We will make a decision about your request within 72 hours of receiving the prior authorization request.
- **For Covered Prescription Drugs:** We will make a decision about your request within 24 hours of receiving the prior authorization request.
- **For Bio Marker Testing:** We will make a decision about your request within 72 hours of receiving all the information needed to make the prior authorization decision. For urgent requests, we will make a decision within 24 hours.
- **Qualified Clinical Trials:** We will make a decision about your request within 72 hours of receiving all the information needed to make the prior authorization decision. For urgent requests, we will make a decision within 24 hours.

The timeframe for the decision may be extended if you or your provider requests an extension, or Oklahoma Complete Health proves the need for more information and that the extension is in your best interest. If additional information is needed to make the decision,

the review could take up to an additional 7 days (for a total of 14 days). In cases of Private Duty Nursing (PDN), State Plan Personal Care (SPPC) or nursing home admission requiring PASSR, an additional 14 days (for a total of up to 21 days) is granted. If the determination is not made in the above timeframes, the prior authorization will be automatically approved. You will receive a notification of automatic approval. Oklahoma Complete Health will review the request within 7 days to ensure the request meets medical necessity. If the request does not meet medical necessity, you will receive a notification of an adverse decision. If this happens, Oklahoma Complete Health will send you a written notice along with information on how to file an appeal on the extension. In most cases, if you are receiving a service and a new request is made to keep receiving a service, we must tell you at least 10 calendar days before we change the service if we decide to reduce, stop or restrict the service.

4. **More Information About Appeals**

   We added the word "calendar" to clarify the timeframe.

If we need more information to make either a standard or an expedited (faster) decision about your appeal, we may extend the time to resolve your appeal. If so, we will:

- Write you and tell you what information is needed. For expedited appeals, we will call you right away and send a written notice later.
- Explain why the delay is in your best interest.
- Make a decision no later than 14 calendar days from the original decision date.

5. **If You Are Unhappy with Your Plan: How to File a Grievance**

   We added that a member or provider can ask for more time to finish a grievance.

What Happens Next?

- We will let you know in writing that we got your grievance within 10 days of receiving it.
- We will decide the resolution of a grievance within 60 days after receiving your grievance.
- We will tell you how we resolved it in writing within 3 days after we resolve the grievance.
- The member or provider, as an authorized representative, may request an extension to the grievance timeline.
- If the health plan extends the timeframe not at the request of the member, the member will receive prompt verbal notice of the delay. The member will also receive written notice within 2 calendar days of the reason for the decision to extend the timeframe.

6. **Children's Specialty Program Eligible Populations**

   Some adults are now able to join the plan.

   - The following group of individuals will be enrolled in the CSP if they do not choose a different health plan: former foster care children (FFC); children receiving adoption assistance (AA); children participating in Family Centered Services (FCS); those in the custody of the Department of Human Services (DHS) and placed at home under court supervision; Medicaid-enrolled parents and guardians whose children are in a FCS case, in trial reunification or DHS custody, including foster care or court supervision. These individuals may leave the CSP and select another SoonerSelect plan within the first 90 days after the benefits begin or during any open enrollment period.

7. **Value Added Services**

   New members can access these benefits after 90 days on the plan: Breathe Better at Home, Work Certification and Training Scholarship, Housing Insecurity and Homelessness Support, Orthodontia, and Traditional Healing Grant. Limitations apply.
