

Preferred Drug List

The Oklahoma Complete Health Preferred Drug List (PDL) includes a list of medications covered by your prescription benefit. This list is updated often and may change.

To get the most up-to-date information, you may view the latest PDL on our website: <https://www.oklahomacompletehealth.com/providers/pharmacy.html> or call 1-833-750-3660 (TTY/TDD 711).

Preferred Drug Locator Instructions:

1. Within the PDF, click on the Edit menu, then click Find.
2. In the Find box, type the name of the medication you want to locate.
3. Click the Next button until you find the drug(s).

What is the Oklahoma Complete Health Preferred Drug List (PDL)?

The preferred drug list (which is also called a “formulary”) is a list showing the drugs that can be covered by your Oklahoma Complete Health Plan. The drug listed will be covered as long as you:

- Have a medical need for the drug
- Fill your drugs at an in-network pharmacy
- Follow any other rules that may apply to you as a member

For more information on how to fill your drugs, please review your Member Handbook or call Oklahoma Complete Health Plan Member Services at **1-833-752-1664** (TTY/TDD **711**).

Will the Preferred Drug List change?

Yes, it will change weekly, especially if there is a new drug or a less expensive medication that becomes available.

Does the plan cover over the counter (OTC) drugs?

Yes, Oklahoma Complete Health covers certain OTC drugs.
<https://oklahoma.gov/ohca/providers/types/pharmacy/covered-otc.html> All covered OTC drugs appear in the PDL. All OTC drugs must be written on a valid prescription by a licensed provider in order to be covered. If the OTC drug you need is not on the PDL; please refer to our OTC value added benefit on our website
<https://www.oklahomacompletehealth.com/providers/pharmacy.html>

How will I know what I will pay?

Children will not have a copay, but most adults will have a \$4 copay. There are a few exceptions to the \$4 copay for adults.

How do I use the Preferred Drug List?

The best way to find your drug is by going to the back of this book to the index and looking it up by name. If the drug is in all CAPITAL LETTERS (EX: CIPRO TABS) the drug is a BRAND name drug and if the drug is in all lower-case letters (ex: ciprofloxacin) the drug is a generic name drug. Next to your drug, you will see the page number where you can find coverage information.

What is the difference between brand & generic drugs?

A generic drug is approved by the Food and Drug Administration (FDA) as having the same active ingredient as the BRAND name drug, but often costs less. BRAND named drugs are typically newer and a generic is not available yet. However, there are some BRAND name drugs which are preferred over generic and that list is maintained here:

<https://oklahoma.gov/content/dam/ok/en/okhca/docs/providers/types/pharmacy/pharmacy-home-page-docs/12.27.2024%20-%20Brand%20Required%20List.pdf>

Are there any limits on my drug coverage?

AGE LIMIT (AL):

Some medications are limited to patients of a certain age.

PRIOR AUTHORIZATION (PA):

Your provider may need to get approval from us before you can pick up your medication. Drugs that require prior authorization are found in the PDL by a PA in the **Additional Information** column. The specific criteria that must be met to approve a PA is found here: <https://oklahoma.gov/ohca/providers/types/pharmacy/prior-authorization/2025.html> Providers are recommended to utilize CoverMyMeds to submit PAs for retail pharmacy coverage: <https://www.covermymeds.com/main/prior-authorization-forms/> To find out more about this process, please call Member Services at **1-833-752-1664** (TTY/ TDD **711**) and a representative will explain the process to you.

STEP THERAPY (ST):

Certain drugs are noted as being in different tiers. This usually means you must try similar medications in the same class in lower tiers before a higher tiered medication is approved. If you would like to request a step therapy exception, please speak to your provider and have your provider's office submit the step therapy exception form found on our website: <https://www.oklahomacompletehealth.com/providers/pharmacy.html>

QUANTITY LIMITS (QL):

For certain drugs there are limits to the amount of a drug that will be covered over a specific time period. You can tell if your drug needs a QL in **Additional Information** column. You can also contact your provider to decide if you should first try a different drug on our list or a different dose of the drug before you request an exception. Contact Member Services at **1-833-752-1664** (TTY/TDD **711**) and ask how you or your provider can submit a quantity limit exception request.

There are also quantity limits for controlled substances. These are outlined here:

<https://oklahoma.gov/ohca/providers/types/pharmacy/maintenance-drug-list/analgesics-narcotic.html>

SPECIALTY PHARMACY (SP)

DRUGS: Specialty drugs are certain prescription drugs used to treat special health conditions and often require special attention. These drugs often need a prior authorization before a prescription may be filled. Some pharmacies cannot access specialty medications. If you are having difficulty finding a pharmacy to fill your specialty medication or have other questions regarding specialty medications, please contact Member Services at **1-833-752-1664** (TTY/TDD **711**).

MAINTENANCE DRUGS (MP):

Certain medications are eligible for 90-day supplies. If you are an adult, please ensure your pharmacy is running these medications for 90-day supplies so your monthly six fill limit is extended. The full list of MP's are kept here:

<https://oklahoma.gov/ohca/providers/types/pharmacy/maintenance-drug-list.html>

What if my drug is not on the Preferred Drug List?

Talk to your provider to decide if you should first try a different drug on the list before you request an exception. Member Services will tell you how you or your provider can ask for an exception if your drug(s) are not covered. Contact OKCH Member Services at **1-833-752-1664** (TTY/TDD **711**) for further assistance.

Which drug categories are not covered by the Preferred Drug List?

The following drug categories are not part of the benefit:

- Fertility drugs
- Weight loss or weight gain
- Drug Efficacy Study Implementation (DESI). These are drugs that are not shown to be safe and effective.
- Bulk chemicals/powders
- Experimental and investigational drugs
- Drugs and devices not approved by the FDA

determination might seriously endanger the life or health of a member by calling:

Medical Appeals: 833-522-2803

Behavioral Health Appeals: 866-714-7991

Pharmacy Appeals: 888-865-6531

Abbreviations:

- **PDL:** Preferred Drug List
- **AL:** Age Limit
- **PA:** Prior Authorization
- **ST:** Step Therapy
- **QL:** Quantity Limit
- **SP:** Specialty Medication
- **MP:** Maintenance drug eligible for 90-day supply

Contacts for Pharmacy Appeals/Grievances

Members: In the event that a member disagrees with the decision regarding coverage of a drug, the member may request an appeal by calling Member Services at **1-833-752-1664** (TTY/TDD **711**) or emailing OKCompleteHealth_Appeals@Centene.com.

Providers: In the event that a provider disagrees with the decision regarding coverage of a drug, the provider may request an appeal by calling:
Medical Appeals: 833-522-2803
Behavioral Health Appeals: 866-714-7991
Pharmacy Appeals: 888-865-6531

After a decision is made, the provider will receive a response by mail. An expedited appeal may be requested at any time the provider believes the adverse
