## Welcome to Oklahoma Complete Health

We would like to welcome you to Oklahoma Complete Health.

Oklahoma Complete Health provides health care services for the Oklahoma SoonerSelect Medicaid program. We provide physical health services, behavioral health services, long-term services and supports (LTSS) that are convenient and accessible. Our main priority is making sure you receive high quality health care coverage.

**This is your provider directory.** Below we tell you how to use the directory. Let us know if you need help understanding this.

If you need them, interpreter services are provided at no charge to you, including sign language and real-time oral interpretation. To get an interpreter, call Member Services at **1-833-752-1664** (TTY: **711**).

We are adding new providers every day. If your doctor is not listed or their information does not look complete, please check online for new updates at **OklahomaCompleteHealth.com** or call Member Services at **1-833-752-1664** (TTY: **711**).

## Easy to Use

Getting benefits from Oklahoma Complete Health is easy. We believe the best way for you to keep good health is to develop a good relationship with your family physician. That is why you, and any of your family who are members of Oklahoma Complete Health, need to choose a Primary Care Physician, or a Clinic that has multiple PCPs.

When you need care, start with a call to your PCP for an appointment. Tell them you are covered by Oklahoma Complete Health. If needed, your PCP will make a referral for specialized care. It's that simple.

## Accessibility

If you use a wheelchair, walker, or other aids and need assistance getting into your provider's office, call their office before you get there. This way someone will be ready to help you when you get there. If you would like help talking with your provider about your special needs, call Member Services at **1-833-752-1664** (TTY: **711**).

## Telehealth

Telehealth is your convenient, 24-hour access to in-network Oklahoma Complete Health healthcare providers for non-emergency health issues. It's available for you to use when you're at home, in the office or even on vacation. Before you can use Telehealth, you need to have an account through the member portal. Set up your member portal account at **Member.OklahomaCompleteHealth.com**

## Taking Care of You and Your Family

We encourage you to make appointments for regular check-ups. Benefits with Oklahoma Complete

- Screenings
- Diagnostic x-rays
- Lab tests
- Mammograms
- Eye exams

## If You Have to Be Hospitalized

If you need hospitalization, your PCP or a Specialist will admit you to a hospital where he/she is affiliated. The hospitals you would be admitted to are listed in this directory.

## Immediate and Emergency Care

With Oklahoma Complete Health, you have access to medical services 24 hours a day, 365 days a year. If you have a serious illness or injury that needs immediate attention, first call your PCP. They know your medical history best.

**In the event of a potentially life-threatening emergency, call 911.** Or go to the nearest emergency room. If you are admitted to the hospital, they will call Oklahoma Complete Health within 48 hours to notify us of your medical situation. Or you can have someone else call for you. If you are experiencing emotional or mental distress, call the Oklahoma Mental Health Lifeline at **988**, 24 hours a day, 7 days a week, to speak with someone who will listen and help.

Some examples of emergencies are:

- Severe pain of any kind
- Change in mental status
- Change in neurological status
- Complications of pregnancy
- Chest pain
- Poisoning
- Acute allergic reactions
- Severe shortness of breath
- Abdominal Pain
- Multiple episodes of vomiting or diarrhea
- Bleeding that won't stop
- Injuries that cause loss of function to a body part
- Symptoms of substance abuse
- Psychiatric disturbances
- Overdose of medication

## For Additional Information

If you want to recommend a health care provider who is not part of this directory or believe they may have questions, please direct them to:

Oklahoma Complete Health  
Network and Contracting  
14000 Quail Springs Parkway, Suite 650  
Oklahoma City, OK 73134  
**[contracting@OklahomaCompleteHealth.com](mailto:contracting@OklahomaCompleteHealth.com)**

**Note: Oklahoma Complete Health does not and cannot guarantee the initial or continued availability of any provider.**

The current participation status of any provider can be found by checking online at **[OklahomaCompleteHealth.com](http://OklahomaCompleteHealth.com)** or by calling Oklahoma Complete Health's Member Services at **1-833-752-1664 (TTY: 711)**.

## **Bienvenido a Oklahoma Complete Health**

Le damos la bienvenida a Oklahoma Complete Health.

Oklahoma Complete Health proporciona servicios de atención médica para el programa Oklahoma SoonerSelect de Medicaid. Proporcionamos servicios de salud física, servicios de salud del comportamiento y servicios y apoyo a largo plazo (LTSS) que son convenientes y accesibles. Nuestra prioridad es asegurarnos de que usted reciba cobertura de atención médica de alta calidad.

**Este es su directorio de proveedores.** A continuación, le indicamos cómo utilizar el directorio. Comuníquese con nosotros si necesita ayuda para entenderlo.

Se proporcionan servicios de interpretación sin costo alguno, lo que incluye lenguaje de señas e interpretación oral en tiempo real si los necesita. Si desea obtener los servicios de un intérprete, llame a Servicios para Miembros al **1-833-752-1664** (TTY: **711**).

Añadimos proveedores nuevos todos los días. Si su médico no está en la lista o su información está incompleta, busque actualizaciones en línea en [OklahomaCompleteHealth.com](http://OklahomaCompleteHealth.com) o llame a Servicios para Miembros al **1-833-752-1664** (TTY: **711**).

## **Fácil de Usar**

Obtener beneficios de Oklahoma Complete Health es fácil. Creemos que la mejor manera para que usted goce de buena salud es desarrollar una buena relación con su médico de cabecera. Es por ello que usted, y cualquiera de sus familiares que sean miembros de Oklahoma Complete Health, deben elegir un Médico de Cuidado Primario o una Clínica que tenga varios PCP.

Si necesita atención médica, llame a su PCP para programar una cita. Mencione que tiene cobertura de Oklahoma Complete Health. Si es necesario, su PCP lo derivará para que reciba atención especializada. Es así de simple.

## **Facilidad de acceso**

Si usa una silla de ruedas, andador u otra forma de asistencia y necesita ayuda para ingresar al consultorio de su proveedor, llame al consultorio antes de llegar allí. De esta manera, alguien lo estará esperando para brindarle ayuda al llegar. Si desea ayuda para hablar con su proveedor acerca de sus necesidades especiales, llame a Servicios para Miembros al **1-833-752-1664** (TTY: **711**).

## **Telemedicina**

La telemedicina es su acceso conveniente disponible las 24 horas del día a los proveedores de atención médica dentro de la red de Oklahoma Complete Health para problemas de salud que no sean de emergencia. Está disponible para que la use cuando esté en casa, en la oficina o incluso de vacaciones. Antes de poder utilizar la Telemedicina, debe tener una cuenta en el portal para miembros. Cree su cuenta del portal para miembros en **[Member.OklahomaCompleteHealth.com](http://Member.OklahomaCompleteHealth.com)**

## **Al Cuidado de Usted y su Familia**

Le recomendamos que programe citas para hacerse revisiones periódicas. Entre los beneficios de Oklahoma Complete Health, se incluyen los siguientes:

- Exámenes de detección
- Rayos X de diagnóstico
- Pruebas de laboratorio

- Mamografías
- Exámenes oculares

## En Caso de Hospitalización

En caso de necesitar hospitalización, su PCP o un Especialista lo admitirá en un hospital donde esté afiliado. Los hospitales en los que podría ser admitido aparecen en este directorio.

## Atención Inmediata y de Emergencia

Con Oklahoma Complete Health, tiene acceso a servicios médicos las 24 horas del día, los 365 días del año. Si tiene una enfermedad o lesión grave que necesita atención inmediata, primero llame a su PCP. Este conoce mejor sus antecedentes médicos.

**Si se trata de una emergencia que podría poner en riesgo su vida**, llame al **911**. O bien, diríjase a la sala de emergencias más cercana. En caso de hospitalización, llamarán a Oklahoma Complete Health dentro de las siguientes 48 horas para notificarnos su situación médica. También puede pedirle a otra persona que llame por usted. Si está experimentando molestias o problemas emocionales o mentales, llame a la Línea para Emergencias de Salud Mental de Oklahoma al **988**, las 24 horas del día, los 7 días de la semana, para hablar con alguien que lo escuchará y le brindará ayuda.

Los siguientes son algunos ejemplos de una emergencia:

- |                                      |                                                                    |
|--------------------------------------|--------------------------------------------------------------------|
| • Dolor intenso de cualquier tipo    | • Dolor abdominal                                                  |
| • Cambio en el estado mental         | • Episodios múltiples de vómitos o diarrea                         |
| • Cambio en el estado neurológico    | • Sangrado que no se detiene                                       |
| • Complicaciones durante el embarazo | • Lesiones que causan pérdida de funciones en una parte del cuerpo |
| • Dolor de pecho                     | • Síntomas de abuso de sustancias                                  |
| • Intoxicación                       | • Trastornos psiquiátricos                                         |
| • Reacciones alérgicas agudas        | • Sobredosis de medicamentos                                       |
| • Falta de aire grave                |                                                                    |

## Cómo Obtener Información Adicional

Si desea recomendar a un proveedor de atención médica que no forma parte de este directorio o cree que puede tener preguntas, puede dirigirse al siguiente establecimiento:

Oklahoma Complete Health  
 Network and Contracting  
 14000 Quail Springs Parkway, Suite 650  
 Oklahoma City, OK 73134  
[contracting@OklahomaCompleteHealth.com](mailto:contracting@OklahomaCompleteHealth.com)

**Nota:** Oklahoma Complete Health no garantiza ni puede garantizar la disponibilidad inicial ni continua de cualquier proveedor.

Puede ver el estado de participación actual de cualquier proveedor en el sitio web [OklahomaCompleteHealth.com](http://OklahomaCompleteHealth.com) o llamando a Servicios para Miembros de Oklahoma Complete Health al **1-833-752-1664** (TTY: **711**).

# Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need. If you have a disability, you should call the doctor's office to talk about your access needs.

Accessibility Requirements:

**All Criteria Met:** if the provider meets all (49) Critical Elements (CE) for disability access in four (4) main areas:  
Parking, Exterior Building, Interior Building, and Programmatic Access.

**Some Criteria Met:** if the provider does not meet 1 or more of the CEs.

**No Criteria Met:** if provider reports having no disability access for all of the CEs.

**Details Pending:** if there is no data to support any of the 4 main areas.

| Indicator | Definition          | Criteria                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|-----------|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| P         | Parking             | Parking spaces and van-accessible space(s), are accessible. Curbs to on-site parking, public transportation, and the side walk at the site entrance have curb ramps.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| EB        | Exterior Building   | There is an accessible ramp to the building. Curb ramps and other ramps to the building are wide enough for a wheelchair/scooter. There are handrails on both sides of the ramp. Doors are wide enough for wheelchair/scooter to enter and the doors have handles that are easily opened.                                                                                                                                                                                                                                                                                                                                                                                |
| IB        | Interior Building   | Doors are wide enough for a wheelchair/scooter and have handles that are easily opened. There are interior ramps that have handrails. If an elevator is present, it must be free for public use. The elevator has easy-to-hear sounds and Braille buttons within reach. The elevator is large enough for a wheelchair/scooter to turn around. The restroom is accessible, has doors wide enough for wheelchair/scooter and are easy to open. Offices have accessible equipment and clear for space where the equipment is for side transfers by wheelchair or scooter users. Lift equipment exists when needed. If office has a chair lift, it can be used without help. |
| PA        | Programmatic Access | Programmatic access includes, but is not limited to: accessible communication and materials in other formats given in a timely manner, staff help with follow-up visit planning, and other disability-related support (people with disabilities who cannot wait in waiting room are seen right away).                                                                                                                                                                                                                                                                                                                                                                    |
| ~         | Rx                  | This pharmacy can provide an extended day supply.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Indicator                                                                         | Definition    | Criteria                                                                           |
|-----------------------------------------------------------------------------------|---------------|------------------------------------------------------------------------------------|

Oklahoma Complete Health cannot guarantee the accuracy of provider self-reported disability access information as it has not been verified by the health plan through an in-person Accessibility Site Review (ASR). Members are encouraged to contact the provider in advance to ask about disability access, and to contact the health plan immediately if the self-reported information is not accurate.

# Información sobre Accesibilidad

A continuación, se muestra la información utilizada en el directorio de proveedores para indicar la accesibilidad en el consultorio de los proveedores o edificio. Esta información no es una promesa de que cada médico siempre tendrá el acceso que usted pueda necesitar. Si tiene una discapacidad, debe llamar al consultorio del médico para hablar sobre sus necesidades de acceso.

Requisitos de Accesibilidad:

## Cumple con Todos

**los Criterios:** cuando el Proveedor cumple con todos los (49) Elementos Críticos (CE) para el acceso por discapacidad en cuatro (4) áreas principales:  
Estacionamiento, Edificio Exterior, Edificio Interior y Acceso Programático.

## Cumple Algunos

**Criterios:** cuando el Proveedor no cumple con 1 o más de los CE.

## No Cumple con

**Ningún Criterio:** cuando el proveedor informa que no se cumple ninguno de los CE.

## En Espera de

**Detalles:** cuando no hay datos que respalden ninguna de las 4 áreas principales.

| Indicador | Definición        | Criterios                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| P         | Estacionamiento   | Hay acceso a las plazas de estacionamiento y a las plazas de acceso para furgonetas. Los bordillos para el estacionamiento en el lugar, el transporte público y la acera en la entrada del lugar tienen rampas para ingresar a la acera.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| EB        | Edificio Exterior | Hay una rampa accesible al edificio. Las rampas para acceder a la acera y otras rampas al edificio son lo suficientemente anchas para una silla de ruedas/scooter. Hay pasamanos a ambos lados de la rampa. Las puertas son lo suficientemente anchas como para que entre la silla de ruedas/scooter y tienen asas que se abren fácilmente.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| IB        | Edificio Interior | Las puertas son lo suficientemente amplias para una silla de ruedas/scooter, y tienen asas que se abren fácilmente. Hay rampas interiores que tienen pasamanos. Si el edificio tiene un ascensor, debe estar disponible para uso público. El ascensor tiene sonidos fáciles de oír y botones en braille a su alcance. El ascensor es lo suficientemente grande para que una silla de ruedas/scooter dé la vuelta. El baño es accesible, tiene puertas lo suficientemente amplias para sillas de ruedas/scooter y son fáciles de abrir. Los consultorios tienen equipo accesible y espacio libre donde el equipo es para transferencias laterales por usuarios de sillas de ruedas o scooters. El equipo de elevación existe cuando es necesario. Si el consultorio tiene un elevador de silla, se puede utilizar sin ayuda. |

| *                                                                                 | No hay pacientes    | Actualmente, el médico no acepta pacientes.                                                                                                                                                                                                                                                                                                               |
|  | Ruta del autobús    | El proveedor indicó que esta ubicación está en la ruta del autobús.                                                                                                                                                                                                                                                                                       |
| ITU                                                                               | Proveedores del ITU | El médico admite el Programa de Servicio de Salud para Comunidades Indígenas/Tribales/Urbanas (ITU)                                                                                                                                                                                                                                                       |

Oklahoma Complete Health no puede garantizar la exactitud de la información de acceso para personas con discapacidades proporcionada por el proveedor, ya que no se ha verificado en el plan de salud a través de una Revisión de la Accesibilidad del Lugar (ASR) en persona. Se anima a los miembros a comunicarse con el proveedor por adelantado para preguntar sobre el acceso para discapacitados, y a comunicarse con el plan de salud inmediatamente si la información autocomunicada no es exacta.

## Provider Modalities

Below is a comprehensive list of all of the modalities that our network providers support. You can identify which modalities each of our network providers offer by referring to the applicable numbers assigned to each modality.

| Indicator | Definition                                                                                         |
|-----------|----------------------------------------------------------------------------------------------------|
| 1         | ABA (Applied Behavior Analysis)                                                                    |
| 2         | Biofeedback                                                                                        |
| 3         | Client Centered Therapy                                                                            |
| 4         | Cognitive Behavioral Therapy                                                                       |
| 5         | Dialectical Behavioral Therapy                                                                     |
| 6         | EMDR                                                                                               |
| 7         | Family Support and Training                                                                        |
| 8         | Family Systems                                                                                     |
| 9         | Gestalt                                                                                            |
| 10        | Hypnosis                                                                                           |
| 11        | Methadone/Suboxone Medication Services                                                             |
| 12        | Multi-Systemic Therapy (MST)                                                                       |
| 13        | Neuro-Lingusistic Programming (NLP)                                                                |
| 14        | Outcomes Oriented Therapy                                                                          |
| 15        | Parent Child Interaction Therapy (PCIT)                                                            |
| 16        | Play Therapy                                                                                       |
| 17        | Psychoanalytic                                                                                     |
| 18        | Rationale Emotive Therapy                                                                          |
| 19        | Solution Focused Therapy                                                                           |
| 20        | Therapeutic Behavioral Services                                                                    |
| 21        | Tobacco Cessation                                                                                  |
| 22        | Trauma Focused - Cognitive Behavioral Therapy- (TF-CBT) Trust Based Relational Intervention (TBRI) |
| 23        | Trust Based Relational Intervention (TBRI)                                                         |

## Modalidades del Proveedor

A continuación, se muestra una lista integral de todas las modalidades que admiten nuestros proveedores de la red. Puede identificar qué modalidades ofrece cada uno de nuestros proveedores de la red si consulta los números correspondientes asignados a cada modalidad.

| Indicador | Definición                                                                                                        |
|-----------|-------------------------------------------------------------------------------------------------------------------|
| 1         | ABA (Análisis de Comportamiento Aplicado)                                                                         |
